### Walk Safely to School Day

A great turn out last week as we turned our Footloose Friday into a celebration of National Walk Safely to School Day. Students gathered at meeting points around the neighbourhood, walking in groups and ticking off another box in their Active School travel passports. A free breakfast was provided to students with vegemite or honey on bread, yoghurt and fruit to get them off to a healthy start for the day. A big thank-you to our P & C Association who funded the free breakfast for the fourth year in a row.
School Council nominations

As an Independent Public School, we are required to have a school council. The council’s role is described below. Our council is right in the middle of putting together the next strategic plan that will guide our work for the next 4 years. We meet 4 times per year for around 2 hours and are made up of four staff, four parents, P and C President and Principal.

The council must perform its role in accordance with legislation in a way that achieves the best learning outcomes for the school’s students.

The school council:
- monitors the school’s strategic direction
- approves plans and policies and other strategic school documents including the annual estimate of revenue and expenditure
- monitors the implementation of the plans, policies and other strategic documents
- advises the school principal about strategic matters.

At the end of our first 2 years of operation it is a requirement that we nominate and elect two (2) new parent representatives who will then join our council for a period of two years. That time is now upon us.

What does a school council do and not do as part of its role?

Out of scope - A school council cannot:
- interfere with management by the school’s principal of day-to-day operations of the school and its curriculum
- make operational decisions about the use of teaching or learning resources at the school
- make decisions about the individual teaching style used, or to be used, at the school
- make a decision that is contrary to law or a written policy of the department
- control funds
- enter into contracts
- acquire, hold, dispose of or deal with property
- sue or be sued
- establish a committee or subcommittee

As a member of the school council you will be required to:
- Be conversant with the School Council Constitution and the Education (General Provisions) Act 2006
- Be familiar with the Department of Education and Training’s strategic plan
- Be familiar with the school’s strategic plan
- Understand the philosophy and core values on which the school’s services and programs are based
- Demonstrate a personal suite of values aligned to realising harmonious and constructive conversations and decision making
- Offer an array of personal capabilities to assist creative and productive discussions and decision making relative to the strategic responsibilities of the school council
- Be able to work cooperatively with other council members to ensure productive and constructive discussion
- Be able to leave aside personal agendas and bias
- Assist in strategic planning and development
- Understand the difference and the delineation between operational, governance and strategic issues
- Liaise with relevant stakeholder groups to effectively represent views and opinions of staff, parent and community bodies
- Engage in shared leadership
- Work with other council members, school personnel and other decision-making bodies, for the benefit and betterment of all students and the community
- Demonstrate ability to follow through on tasks and meet associated timelines
- Attend council meetings as required
- Represent the school council and support decisions made
- Actively promote and portray a positive image of the school council
- Undertake extra activities or duties as requested by the council or the chair
- Approve key strategic documents, as well as reviewing and monitoring school performance
- Develop strategic initiatives that meet the unique needs of the students of the school
- Keep the broad school community involved in the activities of the school council

If you are interested in being one of the two new elected members please complete the nomination form and return it by email or in person to Deputy Principal, Katie Stubbings by Friday June 3rd. Please email me if you have any further questions or queries in relation to this process.

Under 8’s Day
Under 8’s day is my favourite event in term 2. It is a morning filled with many fun activities and the children really do have a wonderful time. This year it will be held on Friday the 17th of June on our 3/4 oval during the morning session. Teachers run two activities each, so if you are available to help out a little please let your child’s teacher know and I am sure they would be very grateful. We also love to see younger siblings and grandparents coming along to join in the fun.

Wine and Cheese night
Clear your calendars for Saturday 28th May for our ‘Wine and Cheese’ night. This is one of our fundraisers for the year and as with any fundraiser the more people that come the more money we raise!! Information is included in this newsletter. What a great opportunity to catch up with some friends and contribute to our school.

Chicken Update
Our five chickens have really settled in well. Princess Layer and Maple Syrup are comfortable enough to let the children pick them up and all five girls actually greet you at the gate when they see visitors coming. They are also enjoying the salad scraps from the tuckshop and this week we will also start rotating a bucket for fruit scraps from classrooms. It is wonderful to see the children really enjoying having chickens in their school.

Care and Compassion - our values in action

Operation ASLAN - Juba, South Sudan
Operation ASLAN is the name for the deployment of Australian Defence Force personnel to the United Nations’ Mission in South Sudan (UNMISS). The ADF has contributed personnel to UNMISS since 23 September 2011 and the ADF’s commitment assists the UN to protect the people of the Republic of South Sudan through the monitoring of human rights and the delivery of humanitarian aid. The ADF contingent comprises of up to 25 personnel from Air Force, Navy and Army who deploy to Operation ASLAN for between six and nine months.

One of our parents, Sergeant Andrew Ive is currently deployed with Operation ASLAN. Andrew has observed the difficult circumstances and conditions that 90 children in an orphanage in Juba experience. He has offered the opportunity for our students and community to show care and compassion by sending correspondence (the students will work on these in class) and collecting stationery and arts and crafts items to be taken back to the orphanage after Andrew’s visit home later this year. We are asking families to donate items such as pens, pencils, gel pens, felt tip pens, letter writing paper for the kids to write back, notebooks, art books, colouring books, sticker books, etc. Items need to be no larger than A4 size and will be collected in classrooms from next week (Monday 30th May) until the end of term (Thursday 23rd June).

Bunyaville - Year 6
In February this year, we had visitors (Kim and Agatha from Bunyaville) come to prepare us for our experience on our upcoming excursion. On the 17th of May, 6D students participated in the Bunyaville Challenge. All year six classes participated on different days. Our class separated into two groups and we were set onto different paths in the bush with iPads searching for waypoints. Our journey was exciting, and we worked towards team and individual goals.

Bridge Building Engineers

After missing a week of engineering last week, all students were very keen to get their hands on the building materials and get started. After diplomatically choosing their final design (some by the age old scientific method of Paper, Scissors, Rock), all groups began their construction of a bridge which must span a 40cm gap and hold a lightly loaded vehicle. Building will continue for the next few weeks and will culminate in a testing session before certificates are presented. If you’d like to take part in the next project for Term 3, make sure your teacher knows that you’re a keen engineer.

Invoices via email
Many families would be aware a system generated invoice &/or adjustment credit note is emailed to the parent who has been nominated as the fee responsible parent each time we create an invoice or clear unpaid invoices. We have had many enquiries regarding the terminology printed on the invoices/credit adjustment notes e.g. “Non Food Component” / “Food Component”. These are also system generated terms which are specifically related to whether the amount is GST free or GST inclusive. To help work out what the invoice is for look at the Invoice Ref: located on top right under the invoice number. Please note we will continue to produce and email the BULK BILL LETTER each term.

BPOINT -v- BPAY
With the introduction of BPOINT we will be phasing out BPAY as an option for making payments to the school. BPOINT is now the Department’s and our school’s preferred method of payment. BPOINT is available via QPARENTS but also directly via http://www.bpoint.com.au/payments/dete. You will need your Customer Reference Number CRN & the invoice number – refer to your invoice for these.

Why BPOINT...
BPOINT allows specific invoices to be selected for payment - BPAY does not have this option
BPOINT will appear the next day (if paid prior to 6pm) - BPAY can take up to 3 days.
BPOINT has no minimum payment amount – BPAY has minimum payment amount of $10

Chaplaincy news

Last week was an opportunity to celebrate Chappy Week at our school. There were three things that time and effort were put into.

1. We were treated to a magnificent morning tea put on by The Grove Church and organised by Chaplaincy. It was a great morning for all the staff and teachers to get together. There was an abundance of delicious food for all sorts and many of the staff had the chance to take a little away for later on. It provided an environment of catching up and celebrating the richness of our school. We are blessed to have a Chaplaincy Program and a number of different groups of people within the area keep it well supported. Thank you to the Grove Church for the beautiful native arrangement.

2. The Year 6 students and a group of Teachers and Parents played Ultimate on the oval at first break on Thursday. The game was fast and interactive and everyone had a fun time. The prize was competing for the prestigious Chappy Cup and the Teachers and Parents won by a small half point. What was really important was that it got a lot of participation from students and everyone had a great time. We will be doing that again soon.

3. Random Acts of Kindness continued all during the week. These will be talked about on Parade on Monday. I was really encouraged by the way they got involved in the process. Well done everyone.

Starting Wednesday morning near the Tuckshop we are selling sporting house coloured silicone bands with their team name on. They can be purchased for $2 and will promote their team and raise funds for the Chaplaincy.

#March Past starts at 8.45am. Events to start ASAP after march.

Gary Kirby, PE Specialist
Our names are Emily, Hannah, Liana and Maddie and we’re all in Year 6.

Our Bright Sparks project was to help animals at the RSPCA shelter to be adopted. We decided we could achieve this by using some effective marketing techniques. Studio photography, styling and some persuasive writing were all needed to help adopt these animals.

Last Wednesday, we visited the RSPCA at Wacol to start our project. We had to bring accessories for 4 cats, 2 reptiles and 3 dogs. Some of them adored the dress ups and some were a little harder to style. After a long day of photography we were pretty pleased with our efforts.

Animals needing adoption

Yo! I'm Hudson. I'm a blue tongue lizard, ready to play. I love a warm cosy place to sleep and I’m am a very fast runner. My scales are smooth and fun to pat and my tongue is as blue as the sky. I'm perfect for first time reptile owners, so come pick up a reptile license and head on down to Wacol RSPCA to find me. My fee is only $75! Don't forget to bring a photo of my future home!

Hi, I'm Cinnamon! I'm an action packed snake that loves adventure. I'm juvenile and great for beginner, intermediate and experienced snake lovers. I want a safe, loving home and a warm terrarium. I love moving around so you have to keep an eye on me! So come to the RSPCA at Wacol as soon as possible! Don't forget to bring your reptile license!

Hey I'm Venus, I'm a playful girl looking for my forever home. I'm a sweet and loving puppy who loves to play. I know some really cool commands like sit and stay as I am always eager to impress. My dream day, a walk in the park with a frisbee to catch followed by a warm relaxing bed to sleep in. I’m an active dog so I need a reasonable sized yard to play in.

One of my favourite game is to jump into a bean bag and sleep for untold hours. I have been told that I'm very smart for my age.

If you’d like to adopt any of these beautiful animals or any of their friends, please contact the RSPCA.

Catch up Club News

Catch up Club was moved outdoors during the past two weeks for defence students and their friends to enjoy the sunshine and get some exercise while having fun skipping. We would like to thank our friend Shiloh in Year 3 for helping us with this activity. Next week we will be playing Poison ball outside the Catch up Club room. Everyone is welcome!

Rex D. Dog Visits FGSS.

On Wednesday 25th May, our Prep and Year 3 students were treated to a story and fun craft activities with Rex D. Dog. Rex is the main character in a series of books developed by Defence Housing Australia to help students better understand the unique experiences of Defence Force Families. Books such as ‘Let’s Get Moving’ and ‘Sticking Together’ focus on the issues Defence families deal with during times of deployment and postings. We were very fortunate to have Rex visit us this time to share his experience of having Dad away on deployment, as we have many students currently experiencing the additional stress of having a parent absent for an extended period of time. Sharing in these fun experiences with Rex allows our defence students to know they are part of a large defence family and that they are not alone in their experiences.

We would like to thank the team from Defence Housing Australia, especially Ms Meera Davis for bringing Rex to our school and for making our defence students feel special.

“CACTUS” news
Just 2 weeks to go until the curtain goes up on ‘CACTUS - A Western’, SPAG BOL’s first production for 2016! The cast and crew are working tirelessly to put together a truly hilarious comedy set in the town of Hogsbottom in The Ol’ West. You can bet there’s gonna be a whole lotta gunslingin’, bootscootin’, plottin’, schemin’, outlaws and injuns!

Production dates are Thursday 9 and Friday 10 June from 6pm. Tickets cost $5 each and will be available on Flexischools from Monday 30 May. A fantastic and affordable night’s entertainment for the entire family!
**Fanfare**

What a fantastic day Fanfare was on Monday! Hundreds of students from all over the region came through our gates to perform in this highly prestigious event. Our Senior Strings and Senior Band performed brilliantly with the strings achieving silver and the band achieving gold. Many of our instrumental music families came to our Twilight Concert on the Sunday evening which enabled our students to play for a huge audience in preparation for the day.

A huge thank you to Rhonda Haringcaspel and Nicola Seneviratne for not only their amazing talents in leading our students but for their entire organisation of the event. Special thanks also to stage manager extraordinaire, David Sandilands, the library staff and Outside School Hours staff for providing us warm up spaces for our visiting ensembles and the IMPS and P&C parents for baking, manning the coffee cart and providing general support throughout the day.

Finally, it was wonderful to see so many classes and teachers come in to support and cheer on our students.

**Hanging with the hens**

The children at OSHC have been loving looking after the chickens. They let the chickens out every morning and put them to bed at night. They also take the food scraps from afternoon tea to feed them. The children and staff at OSHC have been discussing how to look after the chickens and have made a sign that will be put up on the fence soon so the whole school can see.

Tuckshop
As of Term 3 it will be expected that all orders are placed online using our ordering system, Flexischools. This system allows parents, students and staff to place orders from home, work or school at any time. The payment is also done online, so less paper bags, cash, and envelopes are sent via your student to school. As well as being convenient for parents, the online orders are much faster and easier for our convenors to process - so it makes everyone’s life a little easier. Flexischools is well established and tested, operating in hundreds of schools across Australia.

A reminder we no longer serve breakfast. Fresh Fruit cups $1.00 every Friday from 8:00am in conjunction with Footloose Friday.

A big thank to our volunteers who work hard and commit their time once a month. You too can become a volunteer. Follow our link https://www.volunteersignup.org/8ELLJ or simply see Tuckshop staff. Special Thanks to Jane Watkinson and Catherine Turton for donating/baking our yummy banana bread, great job ladies.

We welcome any questions/feedback/comments regarding flexischools and tuckshop issues. Our new email address: tuckshop@fernygroves.eq.edu.au.

Book Fair
Win a voucher to spend at the Book Fair!
In week 9 we will be holding our Book Warehouse Book Fair. We are calling all our fabulous students to design a poster to advertise our book fair. This year’s theme is “Australia the Story Country!” Students can design their poster however they wish but please limit to A4 size. All entries will be displayed in the library. The posters will be judged by a special judging panel and the winner in each year level will receive a voucher to spend at the book fair. I can’t wait to see what creative ideas you come up with. Entries close 27 May 2016.
