Shave/Spray for a Cure

On Friday March 13, Ferny Grove State School supported the Leukaemia Foundation’s Shave for a Cure day. Two very brave Ferny Grovers, Elliott G from 5H and Teacher Aide, Mrs Cindy McNab chopped off their long, luscious locks for a great cause. The rest of the school joined in by donating to have their hair sprayed in some wild and crazy colours.

In true Ferny Grove spirit, our show of care and compassion for those touched by Leukaemia saw us raise over $5,000 towards this worthy cause. Cindy raised $3,100, Elliott raised $829 and Student Council collected over $1,300 with their happening hairspray. Congratulations and thankyou to all those involved with this special event!
Attendance and Timeliness
The research around student learning is clear. Criteria number one for success at school is turning up. Attendance at school is now one of the hot button issues for educators. We all understand and accept that children will get sick and family holidays will, from time to time, result in absences. These are not the absences we get concerned about. It is the regular, consistent absences over a period of time that limit children’s literacy, numeracy and social development.

Attendance at Ferny Grove is generally very good with a 95% overall rate in 2014. In light of this, there are just a couple of reminders that might help.

- On time arrival each day at school is very important. Our day commences at 8:40am. Students are expected to be in class and ready to go at 8:40. Currently we have a number of students still wandering into class between 8:50 and 9am. This makes it difficult to start the day with all students.
- Please remember to explain all absences by either ringing the absence line or emailing us via our website link. All unexplained absences are recorded on our system and followed up.

Say No to Bullying
My talk on Monday’s parade for older students revolved around two particularly damaging behaviours related to bullying. The first was cyberbullying which is now the most common source of ongoing harassment of young people in our society. It is insidious and occurs behind the veil of anonymity and private houses. It is often first detected by parents because of this. However our young people are often reticent to report cyber bullying in case the resulting intervention leads to even worse consequences. As parents we need to know what they are communicating and how they are doing it.

Social media has many positives but this unfortunately is a massive negative. Michelle Mitchell, our personal development expert, reminds parents of one strategy….no technology with internet capability in bedrooms where they can’t be monitored particularly for primary aged children. We may all think our angels don’t know how to access this stuff but research has clearly shown that they know more than their parents from a very young age.

My other point to students was the importance of avoiding bystander behaviour. If you do nothing in the face of harassment or even worse, you encourage, laugh or gather with other bystanders then your behaviour is as damaging as the perpetrator. Observe, intervene if safe and report to someone who can do something about it. Ignoring it is not a successful strategy anymore.

Brett Shackleton, Principal

Our Year 4 students enjoyed their Raw Art activity this week which involved sculpting Australian wildlife out of clay. There was some very interesting creations! Thanks to our Camera Club for capturing the happenings around FGSS!
General news

Before and After School Supervision
It is with concern for children’s safety that I wish to remind parents that children must always be supervised both before and after school. Children will always be supervised in the covered area next to the Tuckshop from 8:10 until being released for class at 8:30. If you are dropping children off around this time please remind them to head straight to the tuckshop area and not to have a quick play on the playground first.

Student council
The Student Council would like to say a huge thank you to our wonderful Ferny Grove Community who supported our Spray for a Cure day. Congratulations to Cindy McNab and Elliott Griffiths for their selfless effort in deciding to SHAVE. A huge thank you to those of you who donated coloured hair spray – we used about 100 cans. Thanks to parents, teachers, student councillors and senior leaders who helped with the spraying on Friday morning. Donations can still be made on the website. To date the total raised is about $5000 - $1300 being raised by hair spraying.

Last Thursday saw the Student Council host our first disco for the year. Once again a great time was had by all. Again councillors and senior leaders your help was invaluable and the AV crew did a fantastic job as usual. We hopefully will be able to donate upwards of $2000 to Chaplaincy as a result of this event.

Year 6 Camp
All notes are on the school website. A final letter to parents has been sent home. This also appears on the website. Any last minutes questions may be directed to your child’s teacher.

Leanne Reid, Year 6 teacher

Year 1 reading
There will be no Tuesday Morning Reading Program next week. The program will recommence in Week 1 of Term 2 (Tuesday 21 April) after the Easter holiday break.

Cross country 2015

Last Monday saw the running of the 140th annual Ferny Grove SS Cross Country. The event was held under sunny skies. All of our students performed well with only a few succumbing to the oppressive heat and many achieving personal bests in terms of how much they ran the event.

Many comments were received that the level of participation this year was close to record numbers. This augers well for the health and wellbeing of our students given the high participation rate. I noticed many students training before and after school in an effort to be race ready. Well done!

The success of the event is a testimony to the dedication of our teachers in providing in class training opportunities as well as assisting on the day. Thank you all.

Thanks also to the large contingent of parents and family members who attended – we are indeed lucky at Ferny Grove that the level of community support is so high – thanks to all who were able to attend.

Special congratulations to all students who participated and gave their best in what was a gruelling race.

The results this year were;

1st Koalas
2nd Kangaroos
3rd Kookaburras
4th Kingfishers

Well done to each House.
Age champion boys and girls were;
9yrs – Joel Bertram and Skye Havill
10yrs – Zac Webster and Amy Ryan
11yrs – Will Sheedy and Kelsey Dunn
12yrs – Zanden Jeh and Abi Jones

Well done – Get ready for next year!

Early Years Assembly

I am so very proud of our year 3 students who have already presented on Assembly. They speak with such confidence and I am often in awe of their ability to speak with such confidence in front of an audience so large. Keep up the great work Mums, Dads and Teachers!!

P-2 Easter Hat Parade

On Thursday the 2nd of April at 12 o’clock each class will be performing an Easter song whilst wearing their Easter Hat creations. Parents, Grandparents, Aunties and Uncles are all very welcome to attend the cuteness overload!! I do believe a special guest will make an appearance to wish the children all a fabulous Easter and holiday. See you all in our school hall at 11:50 next Thursday.

Happy Easter

As this is our last newsletter for the term I would like to wish you all a very happy Easter break. It has certainly been a busy term and I hope everyone has the chance to rest and relax a little over the holidays.

Library news

Our recent paper plane throwing competition was a great success with over 120 students registering. All our students did a fabulous job and had lots of fun. Our winner in year 2 was Declan JR, year 3 winner, Curtis M, and our first, second and third place getters as well as the longest throwing girl, Charlotte D, were all from year 4. In 3rd place was Joel B, 2nd Uaeva M and our overall winner was Curtis D in 4D who threw his plane about ¾ of the length of the hall. Amazing effort.

Last week in the library we had a German theme to tie in with year 6 German Food Day. We made masks and ran a German “Quiz Hunter”. Students hunted the library in search for the answers to the quiz questions. They had lots of fun learning some fun facts. Our winner in the junior school quiz was Aiden D from 2P and the senior school winner was Jorja Win 5H.

There will be Easter activities in the library next week.

Instrumental and Choral Music News

The term has flown and with over 80 beginners it has been a busy settling time. The Junior band has just formed and are keenly working on new ensemble pieces. The Junior band Tree has also been emailed to families. Mrs Newsome very kindly compiled this for our Junior Band and this is an invaluable communication tool, especially when the teacher is sick and families can be notified that early morning rehearsals are cancelled. Junior Band members are requested to buy their music folder if they haven’t already done so. The folder is used to store sheet music which is very expensive to purchase and only limited photocopies are allowed. Folders cost $12 and can be purchased from the office.

Presently our older music students are undergoing their semester one assessment through an audition process. The results of the audition will not only assist teachers report results but also determine those children invited to attend the cluster Senior Music camp which takes place in the second last week of Term2.

Mrs Haringcaspel is off overseas for 8 weeks in Term 2 and will be replaced by Mr Danny Deikens during her long service leave. We wish Rhonda happy trip.

IMPs Meeting

The next meeting is straight after the holidays, Tuesday 21 May. The meeting will commence at 7pm in the staffroom. Come along and find out what is happening throughout Term 2. All parents of Instrumental & Choral students are welcome.

Drama news
Well, with only 8 weeks to go until opening night for the SPAG BOL production of ‘I Spy’, the cast and crew are working furiously learning lines, rehearsing scenes and getting used to moving props and sets around behind the curtain, to ensure that everything is set to go off with a bang. Our set design manager, Mrs Cash, is also busy creating a vision of the backdrops for our numerous set changes. Don’t forget to keep the evenings of Thursday 21 or Friday 22 of May free in your schedules to get along to see our premiere performance.

Mr Sandilands & the SPAG BOL Team

Helping Hands news
At OSHC there has been a few exciting menu changes. Each week the children are given a ‘hot option’ for breakfast and afternoon tea one day a week. Hot options offered so far have been - for breakfast pancakes, baked beans and scrambled eggs and for afternoon tea pasta, homemade pizzas, muffins and fried rice. The children help prepare these meals and have thoroughly enjoyed eating them! If you have any recipes that would work for us or any favourites of your children please let us know.

Congratulations to Tracey Paige Winner of the Helping Hands Network $100 Gift Voucher! Helping Hands Network would like to thank all families for their contribution to the recent survey. We appreciate all feedback and have been pleased with the over-all support for the quality of the service! Thank You – From the Helping Hands Team.

School banking update
Welcome to many new bankers this year, especially those from Prep. Every child in the school has now received a welcome pack which explains the school banking program and has an application form, rewards chart etc enclosed. If you are interested, complete the application form and take it into any Commonwealth Bank branch (you will need ID for you and your child, I believe). You can also complete an application for pre-schoolers and they can also bank through the school. See https://www.commbank.com.au/personal/kids/school-banking.html for more information on rewards and the information about the chance to win a family holiday to Disneyland!!!

Rewards are being ordered regularly which is a fantastic incentive to keep saving!! Please note rewards are ordered on the day we receive notification (if 10 deposits made through school) and they generally arrive the week later. Please advise your students of this so they are not expecting them with their bank books. If you have not received them after 2 weeks, then write a note.

You will have seen a note asking if you want tokens or not. Rest assured you are still accumulating the opportunity for rewards and the tally adds on the back of your stub – the tokens are only a visual – the computer system has the final say!! If we have had no response we have assumed you do not want tokens.

With the increased numbers of bankers we need more volunteers on a Thursday morning. Please come to the staff room after dropping your child off and full training will be provided. Also bank books must be at the office by 9:30 to be processed. Parents you can volunteer to collect the class’ books and bring them up to ensure this occurs. Thanks.

Next week School banking will be on WEDNESDAY April 1 (NO JOKE) instead of Thursday, to ensure the books get home for the holidays.

Any questions phone 0437 266 530 or phone 35505333 (FGSS) and we will call you back Thurs morning.

Xanthe Sansome, School Banking
Guten Tag! Last Wednesday was the year 6 German Food Day. From my perspective, the day was an absolute delight. The year 6 students conducted themselves in a beautiful manner. Everyone had smiles on their faces, everyone displayed beautiful manners and great patience while waiting to be served. Afterwards, some of the students came to thank me for organising the day. This was very much appreciated.

I must say, I’ve never seen a group of children eat this much food before. They just kept coming for seconds, thirds and fourths. Maybe it’s a reflection of how delicious German food is. It’s also the first year that an entire plate of pickled herring was completely eaten up. They are definitely a daring group of children who are willing to try something new. Well done.

Well done also to those who dressed up in cultural costume on the day, with an unprecedented number dressing up.

Thank you very much to all the generous families who contributed food on the day. We had an enormous amount of food. It was wonderful to see that most people put in the effort to provide cooked and baked homemade recipes.

Thank you also to the wonderful AV team (Riley Weir-Chang, Lindsay Francis, Ryan Cogill) who ran the music and the lights. The excellent atmosphere was authentically German with the DJs playing Oompa Band music and the chicken dance.

Last but not least, thank you very much to the wonderful parents who helped run the day. Without their help in preparing, cooking, cutting, serving and cleaning up, the day simply could not go ahead. These were our generous helpers: Claire Sheach, Peppi Cogill, Sonia Skegg, Vicki Smith, Kim Born, Stacey Kent, Greta Naumann, Jenny Ryan, Sharon Cherry, Silvia Reeder, Bernarda Lastro, Cheryl Lam, Gillian Tomczak & Terry Chang.

Tuckshop

Congratulations to the winners of our Easter Colouring/Drawing competition. It was a hard decision, as we had a lot of beautiful work. The winners are:
- 1st Sophie Bretherton (2C)
- 2nd Chloe-Ann Wright (3E)
- 3rd Tahlia Wyllie (3JM)
- 3rd Ryan Martin (PW)
- 3rd Rose Oldam (2B)

Great work, thanks to all entrants.

As always a big thank-you to our wonderful hardworking volunteers - without them our tuckshop would not be able to open 5 days a week. Are you free or know anyone who is able to volunteer once a month? We need to fill these shifts 1x Tuesday or 1x Wednesday or 2x Thursday. Come visit us at the tuckshop!

Please note all hot foods are pre ordered via flexischools. To avoid missing out, orders must be placed before 9:00am. Limited choices of basic sandwiches, snacks and drinks only for late/missed lunches.

Term 2 Menu will be emailed by end of week 10, it is also available though our website and at Tuckshop.

What’s NEW?

Snack items:
- Bacon and Cheese Roll $2.00
- Vegemite and Cheese Scroll $2.00
- Crunch Choc Bar (nut free) $2.00
- Cheese and Crackers $2.00

There will be a slight price increase in some items due to supplier cost.

Have a great school holiday

Liz Mu, Tuckshop Convenor

So if you need some new sports gear or shoes (especially with weekend sport starting) pick up your vouchers from the Coffee Cart or from Jodee in the P and C office (old school next to Stationery Store) on Monday, Wednesday or Fridays. This is a easy way to help fundraise for the school and you save money!

IMPS Fundraiser

Homestyle Bake forms have gone home - orders are due back by next Monday March 30. Goodies will be available for collection on April 22. All proceeds support our Instrumental music and Choir programs.
Ferny Grove State High Students Excel

Congratulations to 2014 Ferny Grove State High School graduate Lizzy Johnston, who has been presented with a Queensland Certificate of Education “Distinguished Academic Achiever” award from the Queensland Curriculum Assessment Authority. The award places Lizzy in the top 26 academic performers in the state for 2014. Lizzy was presented with her award at a recent ceremony at the State Library by Minister for Education Hon Ms Kate Jones.

The award capped off Lizzy’s already impressive list of academic achievements: 2014 School Dux, an OP1, a QUT Vice-Chancellor’s Academic Scholarship and the highest possible ATAR (Australian Tertiary Admissions Rank) score of 99.95.

One of eight OP1 recipients at Ferny Grove State High School for 2014, Lizzy has begun studying for a Bachelor of Nutrition and Dietetics at QUT.

A number of our other 2014 graduates also received outstanding academic recognition:

Max Crane and Michael Harcourt each received QUT Vice-Chancellor’s Academic Scholarships. Max is studying for a Bachelor of Laws (Honours) at QUT, while Michael is studying for a Bachelor of Engineering (Honours), also at QUT.

Bethany Allen received three scholarships: A University of Queensland Academic Merit Scholarship for the first year of study; a University of Queensland Howard and Gladys Sleath Scholarship (awarded for an outstanding audition on stringed instrument); and she was also offered a QUT Vice-Chancellor’s Academic Scholarship. Bethany will be studying for a Bachelor of Music at the University of Queensland.

Bridget Matthews was successful in achieving provisional undergraduate entry to medicine, after passing the UMAT (Undergraduate Medicine and Health Sciences Admission Test). Bridget is studying for a Bachelor of Nursing at the University of Queensland prior to commencing a medical degree at UQ.

Lizzy, Max, Michael, Bethany, Bridget and another of our OP1 recipients Abbey Pearson also received a QCE Certificate of Academic Commendation from the Queensland Curriculum Assessment Authority, awarded to the top 904 academic achievers in the State.

Principal Mark Breckenridge said he was proud of the achievements of these Ferny Grove graduates. ‘These students and their achievements are a powerful testament to the value of hard work, a highly professional teaching staff and wonderfully supportive parents. These students, like all of our 2014 graduates, are ready to confidently make their way into the world and we are proud of the contribution that Ferny Grove State High School has been able to make to their success.’

Twilight Expo – Save the Date!

This year’s Twilight Expo/Open Day will be held on Wednesday 20 May from 3.30 to 7.00pm. Stay tuned for further details in this newsletter.

Ferny Grove SHS Roadshow

Ferny Grove SHS Roadshow is coming to your school on Friday 1 May at 10am

Don’t miss our 2015 Roadshow – an opportunity to hear from our Junior Secondary staff and former Ferny Grove SS students to tell you all about life at Ferny Grove High. There’ll also be some great performances from our instrumental and choral music students. We look forward to seeing you there!
Invitation

Thinking about a high school for your child in Year 7 next year?

School Principal Mark Breckenridge would like to invite parents of Ferny Grove State School students to learn more about Ferny Grove State High School - our high quality student learning and achievement, expert teaching, our student care and wellbeing model, and state-of-the-art facilities.

Take the opportunity to hear first-hand about Year 7 at Ferny Grove State High School, meet our Principal and Head of Junior Secondary, have your questions answered and share your ideas with us. We are holding two sessions for your convenience.

- Where: Ferny Grove State School Library
- When: Tuesday 28 April at 8.45am and Wednesday 29 April at 7.00pm

For further information please contact us on:

Get your family active and eating well

Local families can now sign up the free healthy lifestyle program called PEACH™ - Parenting, Eating and Activity for Child Health. Registrations are now open for a group to commence in term 2, 2015.

The program is fun for kids and helps parents and carers make healthy eating and activity a part of every-day life. It is available to families with a child aged between 5-11 years who is above a healthy weight for their age.

It consists of 10 group sessions that run for 90 minutes each. The first 9 sessions are held weekly within the school term. Ongoing individualised family support is offered through the second half of the program ending with one final group session.

Some of the topics covered include nutrition skills, relationships with food and eating, changing family lifestyle behaviours and making healthy eating affordable. While the parent sessions are taking place, children enjoy active play with a trained child physical activity facilitator.

The program is funded by the Queensland government and being delivered by the Queensland University of Technology.

If you would like more information about the PEACH™ program or to register please contact free call 1800 263 519 or visit www.peachqld.com.au.
