Some of the brave riders on the Extreme Force!

What a wonderful day it turned out to be! The 2015 Ferny Grove Festival managed to combine perfect weather, with a masterful mix of kid and grown up fun, for a huge day of community celebration. With some amazing acts on the Entertainment stage, lots of great food choices, market stalls, fireworks and much more, everyone had a great time and managed to raise a few dollars for our air-conditioning project. Final figures are still being sorted, but it looks like we raised more than $30,000, and this was without our major raffle so it is an increase on previous years takings. A big thank you to everyone who helped make the day a success, especially those who volunteered their time leading up to the event to convene stalls and organise the other major aspects of the Festival.
**BYO iPad trial**

By now you will all have received an email from us outlining an information evening on Wednesday from 6pm in the hall. A couple of key points need reiterating.

- The program is a trial in no more than 5 classes.
- It is optional for parents and students.
- Attendance at the meeting is not a guarantee of acceptance into the program nor does your absence preclude you from applying.
- Information will be posted on our website and via Facebook following the meeting including a very detailed handbook.

**White Ribbon Event**

Our school will be hosting a White Ribbon Walk on Saturday 21 November from 10am. White Ribbon is a foundation dedicated to supporting the victims of domestic violence and preventing it in the future. In partnership with Mark Furner’s office our school will host a community ‘White Socks Walk ’n Wheels around our local streets followed by a gathering in our hall. We would love to see as many people as possible join us (particularly the men of our community) to help raise funds and send a powerful message that violence against women is unacceptable in any form.

**Information Session by our Speech Language Pathologist**

On Wednesday the 28th of October, our Speech Language Pathologist Marissa Cowland is offering a free information session for our Prep and Year 1 parents on sharing books for language and literacy. This session will give you some very simple suggestions when reading with your child that will improve their language skills. ‘Sharing books together and talking about them is one of the best ways to improve your child’s language skills. There are some easy ways to get the most out of the time you spend reading together. This session will give you some tips for choosing books and enriching your child’s language skills using books.’ Please come along to our school library at 2pm and the session will finish by pick up time.

**World Teachers Day**

This Friday the 23rd of October, we are celebrating World Teachers Day. We are so lucky here at Ferny Grove to have the amazing teachers that we do. Please show your appreciation to a teacher or two on this day whether it’s a simple thank you in person or an email. Let’s show them how much we appreciate all that they do.

**Walk for Daniel Day**

Friday the 30th of October is Walk for Daniel day. Children will be encouraged to wear Red on this day and pay a gold coin donation which raises funds for the Daniel Morcombe Foundation. We will gather on the oval at the beginning of the school day and walk to the High School and back. All parents and younger siblings are more than welcome to join us for this event which reminds us of the importance of talking to students about personal safety.

**Sports news**

**After School Sport Program - Term 4, 2015**

As recently advised we have secured Commonwealth funding to conduct sporting programs after school this Term as part of the program “Sporting Schools”.

The selected sport for the term is Touch Football. This can be played by both boys and girls and incorporates skills that are transferrable between many sports.

Sessions for 6 weeks - 3.30-4.30pm MONDAYS for Prep to Year 2 on THURSDAYS for Years 3-6. Supervision during the sessions will be provided by the provider, QLD Touch, but parents/guardians will need to be present for the session or for pick up promptly at 4.30pm. Sessions commence in Week 4 Monday 26th and Thursday 29th October on Main Oval at 3.30pm.

There is no cost for your child/children to participate as they are fully funded. To participate please complete this form and email to Gary Kirby at gkirb3@eq.edu.au by this Friday, 23rd OCTOBER to secure a place. Numbers are likely to be limited so early responses would be appreciated.

Year 4
Welcome back to Helen Dean 4D who has been on long service leave and has many stories of her travels for the students. The students are loving their virtual tour of Italy. Many thanks to David Sandilands, our resident teacher of everything who had Helen’s class while she was away.

Our 4’s are loving their weekly swimming and Maths SLAM has also recommenced.

Year 5 – Camp Goodenough 7-9 October
Our Year 5 camp was a huge success and ran extremely smoothly due to all the hard work of our dedicated teachers and the amazing staff at Camp Goodenough. It really was a valuable experience for the kids being their first overnight camp. Throughout the team building and initiative activities, students were able to develop leadership and resilience skills in readiness for their final year of primary school next year. Our students should be proud of how they approached challenges and stretched the boundaries of their comfort zone.

Year 6
Our Year 6’s are gearing up for all the final moments of primary school. There have been a few activities in the last couple of weeks to support them in transitioning to high school. They have just completed the 10 week Personal Enrichment Program incorporating weekly sexual health lessons & it’s visible how much the students’ maturity, social interaction and connection to their own and the school’s values are developing. Of special mention are the students who helped at Junior disco as well as Rose, Ryan and Zanden who organised and ran the Memorial Garden Ceremony last Monday.

All our Year 5 and 6 students attended the Graffiti Awareness Presentation last week. This combined Brisbane City Council and Queensland Police initiative provided the students with an entertaining but thought provoking dramatization of the impact of graffiti in communities. Thank you for the warm welcome everyone has extended to me since I started just a couple of weeks ago. My transition to primary school has been the smoothest and most enjoyable experience of my career and I feel as though I have been at Ferny Grove SS for a lot longer! Please continue to communicate with me about your students.

End of Year Procedures – String Ensemble
Thursday 22 October 7:45am hall – String Ensemble breakfast, please bring a plate of food to share and all String ensemble music. Lessons during the day as normal.

The year 6 students have the option of finishing String Ensemble or still attending helping out with the year 3 students. Lessons will continue for everyone. String Ensemble will then run for 4 weeks, ending 19 November. The year 3 beginner children will commence in ensemble from the 29th October.

High School Auditions
Year 6 students are preparing for auditions with teachers in their lessons.
Ferny Grove SHS will be auditioning students interested in being involved in the IM program during the week of Monday 23 November – Friday 27 November (specific dates to follow). Audition forms need to be returned to the high school by Friday 30 October (this has been extended). If your child is not attending Ferny Grove High and needs to prepare an audition for another school please let your teachers know the requirements.

2016 Recruitment
Testing of year 2 and 3 students has completed and letters of offer will be sent to selected students within the coming week. Please return acceptance/non-acceptance forms as soon as possible and no later than Friday 30 October so that we can offer available places to students on waiting lists.

Information Evening and Trade Displays – Thursday 5 November 6pm Ferny Grove SS Hall
Junior Band and Junior Strings to perform
This evening is for all new year 2 and 3 instrumental music students and current year 5 students to peruse trader displays. To ensure equitable access and sustainability of the instrumental music program, all year 5 students will need to purchase their instrument for year 6.

Whooping Cough Update

We now have 10 confirmed cases of Whooping Cough in the school plus other suspected cases. If your child has been coughing (even without the “whoop” or any severity) we suggest that you check with their GP, as immunised children often present with less severe symptoms which seems to be the case with most of our confirmed cases. They will need to be excluded from school until they have completed 5 days of antibiotics (or 21 days of coughing) whichever is sooner. In most cases family members will also need to take antibiotics to help reduce the chance of spreading (although they do not need to be excluded unless they are coughing too, or test negative). We would appreciate your help in trying to contain the spread of this highly contagious condition by giving careful consideration to any symptoms your child may be exhibiting and erring on the side of caution. Confirmed cases so far are in Prep F, 1/2C, 1T, 2G, 3SB, 4H, 4P and 5T.

Managing Anger

Grandfather sat contemplating.
Troubled, grandson asked, ‘what’s wrong?’
‘Grandson I have 2 wolves fighting inside me.
One is Anger
One is Peace’.
‘Grandfather which one will win?’
Grandfather wisely replied:
‘The one I feed.’

American Indian Proverb

There are times in all parents’ lives when they feel very angry. Most of the time parents manage to handle it successfully, but sometimes the anger can be in danger of getting out of control.

Anger is always mixed with another feeling such as guilt, frustration, sadness, feeling unwanted or feeling used. Try to do something about whatever is causing the underlying feeling/s if you can.

Get to know your own body signs when anger is building up and act before it blows up. Work out when you are most likely to lose your cool and plan to do something different at those times eg when you first get home from work. Get some space ... go outside, go for a walk or a run. If you have very young children and no-one to mind them take them with you.

The critical thing is to admit you are angry and deal with it in a way that won’t harm your family.

Remember:
- Parenting is forever, so make the foundation solid
- Seek out the right ingredients to raise a well-adjusted child. There are no guarantees but how you relate to others, and manage yourself will greatly influence what they do
- It is a marathon not a short distance run, so pace yourself; be kind to yourself – we all make mistakes
- Mistakes only matter if you keep repeating them.
- Don’t waste time and energy feeling guilty or angry – change what you are doing.
- Seek help from others, but keep on believing in yourself.

Guten Tag!

Unbelievably, it is already term 4 and we are fast approaching the end of the year. We have been very busy in German this semester and have achieved some great things. I have been teaching a "Fabled Characters" unit for many years, but for the first time ever, I have written a German script for the Haensel and Gretel fairy tale, in the hope that the students could perform a small play. This was a little bit of risk-taking on my part, as I didn't know how the students would react to it. I had some ideas and some hopes as to what the benefits could be, but wasn't sure how it would go. I'm very pleased to report that it was a great success. The students really rose to the occasion and surprised me with their great enthusiasm. Here are some of the things I believe we achieved:

1. Students engaged in real, authentic language. (Not just grammatical exercises and phrases).
2. Students were pushed out of their comfort zone and tackled some pretty tricky language.
3. The roles in the play were tailor made to the different ability levels, so that everyone could experience a sense of success.
4. The task was completed in small groups, so students who can be intimidated by spoken assessment felt at ease.
5. An enormous amount of fun was had by all (incl me) acting and dressing up.

For the remainder of the term, we will now consolidate all the learned language and prepare for the last few items of assessment over the next few weeks.

In order that everyone can do their best in the assessment, I STRONGLY RECOMMEND that students set aside 5 minutes every night revising their German vocabulary. I have made a complete list of all words learned this unit and it will be sent home with each student.

Please ask your child about this list. Perhaps it could be stuck to the fridge or any other prominent place in the house. Perhaps you could test your child for meanings of words. Perhaps you could get your child to teach you how to pronounce the words. All of those strategies would be helpful.

**The Dragons of Spring**

Well! There’s less than a month to go until opening night for The Dragons of Spring on Thursday 19 November! Our dance routines, songs and scene rehearsals are all progressing very well with a much higher level of professionalism evident amongst our cast and backstage crew. Tickets are planned to be available for sale on Flexischools on Monday 9 November from 9am.

Keep your eyes open for promotional videos and teaser performances on Monday parades over the coming weeks! In the meantime, here is a quick synopsis of the play:

Princess Clementine is 15 and needs to be married off right away according to her mother, Queen Ferriday. Ferriday bullies the King Robert into setting up a cunning plan to trick nobles and knights of the realm into killing the local dragon and taking Clementine as their bride as part of the reward (you should always read the fine print!). However, Clementine is in love with Claudius, the castle plumber, and she has plans of her own as to who she will get to slay the dragon, as does her little sister, Princess Sue Ellen! What will happen when the poor old dragon is faced with all of these competing plans to bring about his doom? Find out by coming along to see ‘The Dragons of Spring’!
