## iPad adventures

Our 2016 trial iPad classes are up and running. Students (and teachers!) have been learning lots of new ways to connect this hands on technology to the real world - from classroom blogs and emailing homework, to photographing real shapes and creating animated stories.

Today 6D were asked the question, is it cheaper to shop at Coles or Woolworths? They first had to brainstorm a collection of typical foods that were purchased each week. After this they browsed through online catalogues, being careful to compare similar products, apples with apples (literally).

Students entered this data into Excel, learnt about different cell formats and then created a graph with the aim of making it easy to comprehend. They decided that the bar or column graph would be the best way to display their data. It was discussed there are many other factors that may determine shopping choices, accessibility, customer service and quality of fresh goods.

And it’s only Week 3!
From the Principal

Our school vision makes it clear that one of the most important things we hope to achieve for every student is a deep connection to our school, our staff and too each other. This doesn’t happen by accident however and relies on the dedication and skill of staff and students. The range of extra curricula options for students include:

- SPAG BOL (performing arts program)
- Bright Sparks (extension program)
- Science club
- Debating
- Library lunchtime programs
- Sport (interschool and after school programs)
- Music
- Soon to be kitchen garden club
- Chappie lunchtime activities
- Games and activities

We hope that every child finds a way to connect with something they love to do at Ferny Grove State School. Our classrooms are focussed on literacy and numeracy but we know that young people have a range of skills and passions that go beyond this. With the continued support of our staff we hope they will have an opportunity to try something new and exciting.

Early years news

“We can’t expect teachers to do it all”

Recently I was reading an article in Kidspot that claims that one in five children do not have the skills to learn properly when they start school. Basically it was an article on vocabulary and that as parents we can give our children such an advantage just by simply reading to our children at home. Children who have parents that read to them on a regular basis at home (3-5 times a week) learn vocabulary and concepts such as ‘over’ and ‘under’; word sounds and have new words and their meanings exposed to them that spoken language does not. We all lead very busy lives, but I encourage all families to find the time to read a book together on a regular basis, perhaps bedtime is 10 minutes earlier just to allow this to happen.

CPR

Recently all parents received an email outlining the role of a ‘Class Parent Representative’ thank you to those who have already expressed an interest in this. I urge anyone who is thinking of becoming involved in this way to notify their child’s class teacher by this Friday at the latest. Communication is the key with such a big busy school such as ours and this role is so highly valued to help ensure Ferny Grove continues to run as smoothly as it does. Selected CPR’s will be notified by Friday the 12th of February and our first meeting will be held on Wednesday the 17th of February.

Casey the Caterpillar

In Prep we use a program to teach handwriting that helps to reinforce correct letter formation. The program begins with the Casey Caterpillar story. Throughout the story, children join Casey on her adventures and are introduced to a series of different shapes. The shapes introduced through the story assist children to form letters correctly. Just 6 simple shapes are used to form 12 letters in our alphabet. These shapes give the children a common and easy to understand language to talk about how the letters are formed. This week the prep children have been learning the letter ‘m’ and the language used is ‘short stick, tunnel, tunnel’. Class teachers will send home a helpful ‘cheat sheet’ for parents this week.

*North West District Swimming*

Congratulations to these Ferny Grove swimmers who represented our school at the North West District Swimming Carnival held on Tuesday 9 February. All the students gave their best, and we are very proud of their effort and sportsmanship.

**Cross Country**

It is time again for our school Cross Country. Classes are busily training for what is a popular event on our school calendar.

This year the event will be conducted on Tuesday 15th March as per the timetable below.

**Session times for each age group are as follows :**

- 9:00 am  12 yr olds
- 10:00 am 11 yr olds
- 12:20 pm 10 yr olds
- 1:50 pm   9 yr olds

# The top three from each age group for boys and girls will qualify to represent our school at the District event on Tuesday 19th April.
## As usual children will be expected to run in suitable footwear.
N.B. **Running barefoot or in running spikes will not be allowed.**
### 9 year olds do not compete at the District Carnival but will be competing for Age Champion

**General news**

**School banking**

School banking resumes Thursday 4th February. Please have all bank books delivered to the staff room by 9.30am to allow us to process the bank deposits. Any new bankers are welcome. All you need is a youth saver account opened at any Commonwealth Bank to start banking with us. We will also be arranging for the area coordinator Angela Marshall to talk about school banking at a junior assembly in the near future and arrange for a bank staff member to assist with opening new accounts at our school. Dates to be advised.

Also coming home are the school banking parent information packs. These contain your new reward cards for this year. Awards available include the Flying Snake Tail and a Wildlife Writers Set for term 1.

**Calendar updates**

The date of the Term 1 disco has been moved to Thursday March 17 - more details to follow.

The Easter hat parade (Prep - Year 2) is scheduled for Thursday 24 March at 12 Noon.

The updated Parent Calendar will be emailed this week.

Middle years news

We’re now settling into the term and I hope all our new students and families are becoming comfortable with their new setting. It’s at this time of the year that friendship issues start to surface. This could be because of past friendships changing and new friendships developing. I searched Michelle Mitchell’s blogs for this two part series which provides parents with some help in supporting their children.

Please don’t hesitate to contact your child’s class teacher or me if there is anything we should follow-up regarding your child.

What to Say if Your Child is Having Friendship Dramas: Part 1

Michelle wrote this blog post in response to this message:

Hi Michelle – Can you write something around power playing? To help your child deal with those who play others against them. They are meant to be best friends who treat them so badly. How do we make them see how badly they are being treated and to deal or breakaway without their parents being the bad guys.

The bottom line is that having friends protects children from being labelled a loser, a loner and getting picked on. Without friends, children are exposed to a life of misery and torture. There is nothing more painful for a child than to not have friends. This being so, they would often do anything and put up with anything to avoid being alone. This is where power playing or in my words “bullying” gets its license.

Children often tolerate a lot of teasing, back-stabbing, mood swings and aggression from their friends. Why? The positives greatly out-weight the negatives. The pain of not having friends is far more severe than the pain of having friends that don’t treat them well. Children, like adults, choose the option which has the least perceived cost. In other words having friends can cost them a lot, but not as much as being alone. I like to call this the business end of childhood friendships.

I hope these few points assist parents who need to talk to their child about how they are being treated by their friends.

Statement: I am concerned about the way your friends are treating you

Bullying can take all sorts of forms including children isolating, threatening, physically fighting or blackmailing each other. Bullies can enjoy humiliating, demoralising and destroying another girl’s reputation. None of these are okay, in any degree. Your child needs to know that you see what she is feeling. She is not imagining it and she shouldn’t feel the need to minimise it.

Statement: I know I can’t tell you to just walk away

Admitting the problem is complex and that there isn’t a simple solution is important. Children are often told that the only alternative to fighting a bully is to simply walk away. The advice ‘walk away’ in real life practical terms doesn’t always work. When children feel that all they can do is ‘walk away’, they feel defeated. What we don’t want is your daughter walking away with her head between her knees, totally crushed, ready to rehearse every word the bully has said to her in her room that night. In the same way you don’t beat a bully by being a bully, you don’t beat a bully by cowering away.

Statement: You can’t cope alone

Communicating with another person is a great way to process the negativity of bullying. Communicating can help children decide what is true and right, what is their fault and what is not, what they feel and why, and what they can do tomorrow. Sometimes it can even help young people discover how serious the situation actually is. This can be a challenge given bullying is a subject that most young people are hesitant and embarrassed to talk about on a deep level. It makes them feel inadequate. It requires that they verbalise their insecurities and anxieties. This is not something that is easy for children and parents should really appreciate their children when they do open up on this level.

Statement: This is just between you and me

One of the most important things you can do is not over-react when your child talks to you about bullying. A parent’s emotion, on top of an already strained situation, is more than most children can bear. Children are much more likely to blame you or become angry with you if you are pushy or become too emotionally involved. Any conversation you have about bullying has to be a confidential conversation that they feel very safe having and they know you won’t share with anyone else.

Signs your child needs support

If you aren’t able to talk openly with your child, consider helping them build a relationship with their favourite aunty, grandmother, sports coach, school chaplain, youth group leader or a professional like the team at Youth Excel. If your child is showing any of the following signs, she needs your intentional support:

– Difficultly answering simple questions about friends
– Consistently withdrawn
– Not wanting to go to school
– Excessive mood swings depending on the day
– Feeling generally ‘sick’, increased headaches, general pain, or stomach upsets that may be anxiety based

THANK YOU to everyone who has been passing these blog posts on. If you have a topic you would like Michelle to blog about email her at info@michellemitchell.org.

Upcoming dates:
Monday 15th February - 8:50 am Whole School Assembly - Student Leaders Induction - all welcome.
22/23 February - Captain’s Leadership Camp - The Gap SS
25 Feb/3 March/10 March - Triple P parenting Seminars

**Defence news**

**Catch Up Club**
Defence students and their friends have enjoyed playing board games at Catch up Club for the past two weeks. It has been wonderful to see many new faces joining in the fun. Come and join us in week 4 to create a bracelet for someone special.

**New Students to Ferny Grove SS**
All new students to Ferny Grove S.S. in years 1 to 6 were treated to ice-blocks and games last Wednesday. It was lovely to see our new students enjoying the cold treats and games organised by the Year 6 sports captains. Thank you sports captains for working together and showing great leadership and responsibility while organising a very successful welcome event for our new students.

**Defence Parent’s Morning Tea**
We would like to thank the defence parents who attended the welcome morning tea last Wednesday morning. We enjoyed meeting you and learning more about you and your children. We hope you enjoyed the morning tea and the chance to learn more about the role of the Defence School Transition Aide and the programs and support available for defence students at Ferny Grove State School.

If you would like your child to receive additional support, especially during deployment or if you have just moved to Brisbane and your child is finding the transition difficult, please let us know.

We can be contacted via email jdela140@eq.edu.au or lhedd1@eq.edu.au Alternatively, drop in to our office for a chat. We are located in C block, accessible via the back stairs facing the 1 / 2 playground (Catch up Club room). We look forward to a fun and productive year ahead and to working with you and your children.

*Defence School Transition Aides*
My name is Alexia Hoffman and I’m the new School Chaplain for Ferny Grove this year. I have been warmly welcomed to Brisbane in every way these last two weeks and have met the Staff, Teachers and Students and look forward to getting to know everyone a little better in the coming weeks. I have moved to Brisbane from Kingaroy where I have previously been a School Chaplain for the last 8 years. It is wonderful to be placed in such a picturesque environment. I will be working at the school four days per week (Monday - Thursday). I have spent a significant amount of my life in the country but I’m enjoying all the advantages that a bigger place has to offer. I love good food and coffee, being able to go running at sunrise, meeting new people and embracing all that life has to offer. Being active is important to me and I love trying new challenging experiences. I would love the opportunity to say hello so please take the opportunity to introduce yourself to me if you see me around the school grounds. I look forward to the journey ahead as I fit into this new environment.

One of the new things starting this term for the year 6 classes is the opportunity for them to have a go at exploring Hip Hop dance. This is a free class being offered in the first break on Thursdays for this term in the Sports Hall. Namila Davu from Hills PCYC is combining with Chaplaincy to offer this program at Ferny Grove. It will offer the opportunity to learn new skills or improve on abilities already as well as helping with confidence and co-operation. The students have initially filled out a form to express their desire to participate and forms are being sent home for the parents to sign and return to the school chaplain. During the year other activities will be offered as needs arise.

Instrumental Music News

The Beginner’s Music Camp was held on the first Friday and Monday of this term. 54 of our Year 3 and 4 students attended camp across four local schools to complete two intensive days of tuition. This camp sets a positive tone for learning a new musical instrument and all our students thoroughly enjoyed showing their families what they had learnt at the end of the second day. A huge thank you to all the teachers and tutors who ran the camp (in very hot conditions) and to our parents who transported their students to the various schools each day.

Rhonda Haringcaspel, our brass and woodwind teacher, would also like to offer an opportunity for beginner parents of students in Year 4 to get to know their child’s instrument through attending a special evening. Information for parents regarding this opportunity is available here.

Last week students were given their Instrumental Lesson timetables. Lessons have commenced this week as well as Senior Strings and Percussion Ensembles. Junior Band will commence Week 7. Mrs Haringcaspel will also be running sectional rehearsals for the Senior Band. These are additional lessons after school from 3-3.35pm on a Monday. Parents have been emailed that schedule.

Rehearsal times are as follows:

- Monday – Senior Band (Yr 5 and 6) 7:15 - 8:30am
- Wednesday – Junior Band (Yr 4) 7:15 - 8:30am (Week 7 start)
- Thursday – Senior Strings (Yr 4-6) 7:15 – 8:30am (Week 3 start)
- Friday – Percussion Ensemble (Yr 5 & 6) 7:15 – 8:30am (Week 3 start)

Library news

Welcome back to our library. I would like to congratulate our 42 fabulous new library monitors. They are a great bunch of students who turn up to their shifts with a big smile ready to help out with any tasks. We are working hard at the moment training our monitors in all they need to know to help our library run smoothly so lunchtime activities won’t start until we are finished our training.
Ferny Grove State School, in conjunction with the Queensland Government and Triple P (Positive Parenting Program), will be running this series of seminars for the benefit of our parents and other families in our community. Our Student Welfare and Engagement Teacher, Peter Wheeler, will also be running small group Triple P sessions in May this year. Head to the website in the ad below to book your place.

**Tuckshop**

Welcome back! We are introducing Home Bake items to our Tuckshop menu. We have 3 approved recipes (banana bread, honey oat slice and magic bean cake). We are looking for volunteers to bake at home - for more info come see us (or email us) at the tuckshop. Alternatively, donations for pantry stocks are most welcome: Plain Flour, Self raising Flour, Brown sugar, Rolled Oats, Dried Fruits, Red Kidney Beans, Beetroot, Pineapple pieces, Rice (long grain), Pasta sauce, Plain water Crackers, Honey.

This year we are promoting healthy eating with guide of Education Queensland’s Smart choices traffic light system. Green= have plenty, Amber = select carefully and Red = occasionally.

In an effort to increase the healthy choices we are offering at our Tuckshop, we will only be offering some of our less healthy options (such as hot dogs and chicken wedges) two days a week instead of every day. Please read menu for details, especially those who replace a recurring order on Flexischools. If you are not using Flexischools for your Tuckshop ordering, please consider setting up an account. It frees up our Tuckshop team to make great food for our students and staff. As always we are seeking volunteers to help us offer service to our students 5 days a week. Please come and say hi or call 0409 317 553 if this sounds like something you are interested in.

**Yvette Edwards**

**School Photos**

School photos will be taken every morning next week by Ivy Photography (Mornings means no glare and no hot sweaty children!) A schedule will be emailed home later in the week so you know which day your child will have their photo. Sibling photos are also available from 7.30am on Tuesday and Thursday morning. Meet at the 1/2 playground - first in, first served - there may be a wait. Order forms go home later with a proof of your child’s photo.

**Join our P & C!**

We are really lucky here at Ferny Grove State School to have amazing facilities and programs for our students. Much of this is due to the hard work and dedication of past and present members of our Parents and Citizens association. On March 16 we will hold our Annual General Meeting (at 7pm in the library) and everyone is welcome to attend. Some of our subcommittees (Fundraising, Music and performing arts, Prep) will be looking for office bearers for the coming year and we welcome any interest in those important roles of committee treasurers and secretaries. At the end of the day, P & C is a place where you can really make a difference in the quality of your child’s education. All of our meetings are open to all parents in our school. Membership forms are available [here](#).

We’d love to have you join us!

(Our next meeting is next Wednesday 17 February!)

Enrolments for 2017

Dear Parents,

You may have already heard that an Enrolment Management Plan has been implemented at Ferny Grove State High School from this year due to our increasing enrolment numbers. This means that students who do not reside within our designated catchment, even if currently attending one of our feeder schools, will no longer be guaranteed automatic enrolment at our school. Catchment areas can be viewed at http://www.qgso.qld.gov.au/maps/edmap/.

As a result of the school now being enrolment managed, our enrolment procedures have needed to be adjusted. Expressions of interest for enrolment at FGSHS in 2017 for students residing both in- and out-of-catchment will be available on the school website and from the office from 8 February.

Further information may be found on our website www.fernygroveshs.eq.edu.au under the Enrolments tab.
