## Festival showcases our community in action

Another year, another great day out for our community on Saturday 8th October! A huge thank you to all at Ferny Grove State School who organised the Festival and those who acted as stall convenors for their hard work in the months and weeks leading up to Festival. Another thank you to the school admin and teachers for their support of our event. Thanks to everyone who signed up for a volunteer shift on the day (especially those who stayed past their allotted time). Thanks to our community showcase participants, especially Ferny Grove SHS who partner so well with us. And a huge thank you to all of our sponsors and donors who make an event of this magnitude possible. Lastly thanks to our Ferny Grove families and our wider community for turning out in droves to support our major Annual fundraiser. It was a blast!
From the Principal

iPad Parent Information Session

2016 saw our school pilot our first BYO iPad class program. Parents were given the option to apply for their child to be included in a class from Year 1-6 in which every student in the class would have daily access to their own iPad. For our teachers, our students and our parents this was something very new and different. My thanks to all of this year’s cohort for getting involved and supporting our teachers as they transformed how digital technology is used in classrooms.

The key leader of this work has been Mr Bryant who has mentored and supported the teachers, provided trouble shooting for students and parents and ensured that our infrastructure was adequate for the work our teachers and students wanted to do. Feedback from students and teachers has been very positive and we have listened carefully to the feedback they have provided us to make 2017 even more successful.

All students currently in an iPad class will automatically be offered a place in 2017. If you no longer wish to have your child in a class in 2017 please email us at the address below so we can act upon your request when organising classes.

We are seeking interest from parents interested in having their child in an iPad class for the first time in 2017 and to this end we will hold a parent information session as outlined below.

Venue: School Hall
Date: Thursday October 20, 2016
Time: 7pm

The session will include our current teachers and students along with Mr Bryant and myself discussing how everything works. A couple of points need to be made up front however.

- We can only extend the program to more classes if we have enough interest to fill the classes and/or there is a vacancy in an existing class.
- Parents will be required to provide an iPad that meets the necessary technical specifications of our wi-fi network.
- Only iPads are to be used. We have already made the commitment to this hardware following research and extensive trialling this year. Other tablets are no doubt effective but not for our program.
- Parent engagement is important in the early days is important even though the children will rapidly surpass you in terms of their expertise and use of the apps.
- Not all applications to be included in the program are successful due to the need for our classes to be full, gender balanced and ability balanced.

If you think you might like to know more please email us and confirm your attendance using the following email address. This address will also be used for the applications for involvement in the program after our information evening. At this stage you only need to tell us you if you are coming to the evening - ipad@fernygroves.eq.edu.au

Brett Shackleton, Principal
Early years news

2017 Enrolment Prediction

We are fast approaching that time of the year where we start looking at our enrolment numbers for next year. It really is important that we are accurate with our number prediction as it helps with teacher placement and class allocations. If you are leaving us next year could you please fill out the student departure form available here on our website and hard copies are also available from our front office. I would be very appreciative if you could let us know as soon as possible.

Jacki Schott, Deputy Principal
jscho62@eq.edu.au

General news

School Disco

Next Tuesday, 25 October is our final disco for the year. Tickets are $5 each and are available for purchase before school in our tuckshop area. Tickets can also be bought at the door. Children will be able to purchase a snow cone for $2 and glow sticks will also be available for purchase this time. All funds raised will go towards the Sanfilippo Children’s Foundation. The Prep-Year 3 Disco will be from 5-6:30pm and the Year 4-6 Disco from 7-8:30pm.

Walk for Daniel Day

Friday 28 October is Walk for Daniel Day. Our students are encouraged to wear the colour red on this day and bring a gold coin donation for the Daniel Morcombe Foundation. It’s a great opportunity to talk about safety with your child/ren.

World Teacher’s Day

World Teacher’s Day is also Friday 28 October. We will be providing a yummy morning tea for our amazing teachers to show them how much we appreciate all that they do. If you can contribute by making or baking high tea style food (small sweet or savoury bites) please deliver to the library on Friday morning. Drop your child’s teacher an email or thank them in person next time you see them!

Jacki Schott, Deputy Principal
jscho62@eq.edu.au

Last week at the Keep Queensland Beautiful awards we were named the Cleanest and Greenest School in Brisbane! Thanks Councillor Steven Toomey for the nomination!
Middle years news
Year 5 Camp
Our Year 5’s had an exciting 3 days away at Camp Goodenough first week back this term. It was so wonderful to spend a couple of days with the kids and see them stretch themselves, stepping out of their comfort zones. You can never underestimate the value of camps providing another way of learning for those students who find it difficult in the classroom. A huge thank you to our amazing teachers for supporting our kids. It was a special thing too to have Perry Fraser there for the whole camp.

Debating
Thank you to our teachers Garry Thompson and Lenora O’Connor who took our first year of debating students through the QDU competition. Although our students didn’t have a win, the skills they have developed will set them up for next year and beyond as they transition to high school. Garry and Lenora have fostered a strong interest for our students in the art of debating and I thank them so much for their leadership. Debating at Ferny Grove SS has a strong future!

Sexual Health Lessons
Sexual Health lessons have commenced as outlined here. Students will bring home information sheets at the completion of the course. Please see our website for more information.

Oktoberfest
On Tuesday, 18 October 2016, Year 6 students participated in the annual FGSS Oktoberfest (formerly known as German Food Day) activities. This cultural experience exposed students to one of the most popular German festivals in Germany and indeed the world. Every year, more than 6 million people visit Oktoberfest in Munich. This very enjoyable celebration is not just about beer, but about the German concept of “Gemütlichkeit”, which roughly translates into contentment, a state of mind which can be reached quite easily with a bun of German bread, a sausage and some sauerkraut. Thank you to all the parents who helped out. The students had a wonderful time.

Katie Stubbings, Deputy Principal
kstub5@eq.edu.au
Festival news

✔ Great kids & families ✔ Great staff ✔ Great learning opportunities
We are doing a great project for the next 3 weeks called Operation Christmas Child. I’m working with the Student Council on this and it is very exciting to see the idea gaining momentum. You decide if you want to pack a shoe box for a boy or girl, you choose an age 2-4 yrs, 5-9 yrs,10-14 yrs The boxes can be obtained from my office at school. Once you’ve made that decision, there are 6 main categories to help you know what to put in the box;

**Something to love - small soft cuddly toy**

**Something to wear- shorts, t-shirt, undies, socks, hat, scarf, beanie,socks, shoes**

**Something to play with- ball, marbles, yoyo, slinky**

**Something for personal hygiene - washer, soap, toothbrush, comb, brush**

**Something for school - colouring pencils, sharpener, rubber, pencils, notepads**

**Something special - sunglasses, jewellery, special bags, fun objects**

Please don’t place anything that has liquid in it or requires batteries, no mirrors or porcelain, war related object such as toy guns and second hand items. On the brochure inside the box are all the dos and don’ts. Classes have been given 2 boxes to consider filling and each class can choose how they go about the idea. If you want to personally do this with your child you are most welcome and I encourage you to consider that as it’s such a meaningful activity that will bring joy to a child overseas who possibly never has the opportunity to experience a gift. Postage for the boxes is $9 per box and this helps it reach the destination. You may like to contribute to your class box, pack a box yourself and add to the Ferny Grove contribution or help by donating money towards the boxes.

The boxes will be collected by 11 November and there will be a presentation on parade Monday 14 November.

Thank you for considering this.

---

**3SB news**

3SB have been working on similes and came up with this great poem about their amazing Mums.

*She is as special as a precious ruby, she is beyond compare.*

*She is as bright as the sunshine, always brightening up my day.*

*She is like Nigella Lawson, cooking up delicious treats.*

*She is as beautiful as a sapphire, sparkling in the sun.*

*She is as joyful as 1000 puppies, spreading happiness wherever she goes.*

*She is like a bunch of scented roses, as sweet as can be.*

*She is as fearless as a cheetah, always protecting those she loves.*

*She is as rare as a shooting star, one of a kind.*

*She is as loyal as a dog, always there for me.*

*She is like an angel, always watching over me.*

*She is like a teddy bear, offering unconditional love.*

*She is like Wonder woman, my one and only hero.*

*She is my mum!*

---

**Debating**

We would like to take this opportunity to thank all the students and parents who were involved with Debating over the past few terms. Last Thursday we took two year six teams to the final round of the QDU Competition. The teams consisted of Lexi Horton, Aynsley Netto, Bradley Staples, Sophie Creese, Ryan Collier and Grace Lee. They competed against students from the same year level from two other schools. We were extremely proud of their determination, persistence and efforts to make it to this final round of debating. Our congratulations goes to each and every one of those students. We would also like to thank and acknowledge Kian Horton and Declan Eddy for stepping in at the last minute as timekeeper and chairperson.

Garry and I wish those students all the best and future successes as they embark upon the next stage of their school journey.

Garry and Lenora
Congratulations to our Senior Band (Platinum) and Senior Strings (Gold) for achieving such amazing results in MusicFest last Thursday. Special acknowledgement to Rhonda and Nicola for their relentless efforts in challenging our students to perform at this level. Best wishes to our Junior Band who will perform next Thursday 27th October.

A huge thank you again to all of our Instrumental Music and Performing Arts parents and families who continue to support us in ensuring our students have access to awesome opportunities like these.

**Thursday 27th October (Junior Band)**

Program starts at 4.30pm - approx finish 8.30pm

Please see [here](#) information regarding band and sectional rehearsals for the remainder of term.

#### Instrumental Music Recruitment 2017

Year 3 and 4 students who will be offered a place in the instrumental music program from 2017 will receive a letter home this week. Parents who accept offers for their child will be invited to attend the Cluster Instrumental Music Parent Information Night at Grovely State School on Thursday 3 November from 5.30pm.

#### Senior Band and Senior Strings End of Year Breakfast

**Monday 24th October**

Where: FGSS Hall

When: 7.15am - 8.15am

Bring: Students are asked to bring a plate of breakfast nibbles to share (ideas, croissants, pastries, bread rolls, fruit, savoury or sweet items. Bottles of Juice with plastic cups)

If I could have a couple of parents to assist me in crowd control and tidy up it would be appreciated.

Katie Stubbings, Deputy Principal
Postings and Relocation Support

The end of the year is fast approaching and for some of our defence parents this will be a time to orchestrate moving their families to a new home as postings for 2017 are announced. Of course, this means many of our students will be dealing with the emotions that come with leaving friends behind, changing schools, making new friends and discovering the many opportunities their new home may offer. Our role as DSTA’s is to support students through this process. We aim to help students see the experience as a positive and exciting one, while acknowledging all the positive and negative aspects of having to relocate.

The program we implement during times of postings involves engaging students in researching their new school and the fun experiences available at their new location. Students also work through a farewell book which provides opportunities for students to reflect on their attitude towards the posting, also allowing them to reflect on their experience at Ferny Grove State School. As students reminisce about the time they have spent at our school we encourage them to remember the fact that many of the children they now know well and call friends, were strangers to them before they relocated to Brisbane and that their new location is full of ‘strangers’ waiting to become new friends.

For some students relocating due to a posting is an exciting adventure, but for other students it can be a daunting and stressful experience. The important thing for all students is to know they are not alone and that they will be supported through their journey.

Remember to let Jessica (Prep to Year 3) or Liz (Years 4 to 6) know if you are being posted in 2017 so we can support your child as they transition to their new location. Contact us via email at jdela140@eq.edu.au (Jessica) and lhedd1@eq.edu.au (Liz).

Thank you from Juba, South Sudan

Thank you again for participating and for encouraging your children to bring donations of art and craft materials and stationery for the children at an orphanage in Juba, South Sudan. Everyone’s contributions helped to put big smiles on the faces of children who have so little.

During last week’s whole school parade, we also had the opportunity to hear Sergeant Andrew Iye’s experience and description of the dire situation in South Sudan and the life the children at the orphanage endure. Students, staff and parents were given a glimpse of the orphanage and the work defence members volunteer their time for. The footage shown was prepared by the defence members currently deployed on a peace keeping mission in South Sudan as part of Operation ASLAN. If you would like to share the videos of the orphanage and the children receiving the donations sent by FGSS with your child at home, please follow the links below.

Donations Received by the Kids at the Juba, South Sudan Orphanage

Juba, South Sudan Orphanage - OP ASLAN - Support

If anyone would like to donate money to the Juba orphanage please follow the link below. MAJOR Graham Hales has set up a go fund me page to raise funds for further improvements at the orphanage. The aim is to raise funds to help pay for the orphan’s school fees for 2017, purchase school shoes, rebuild a kitchen and cooking facilities and more. https://www.gofundme.com/2n247cg4

Thank you again for your care and compassion.

Jessica De la Jara & Liz Heddershaw
Defence School Transition Aides
German news

Guten Tag!

Oktoberfest FGSS 2016 for our year 6 students was a great success! Once again, families have outdone themselves with their generosity in providing scrumptious German dishes for the day. Thank you parents, for your help in preparing or buying German food. The tables were groaning under the weight of delicious German fare. Congratulations to all the year 6 students for having a great party spirit, excellent manners and a positive attitude on the day. It was wonderful to see so many children dress up in cultural costumes. A huge thank you must go out to our wonderful helpers. We had many mums and grandmas to help with cooking, serving and cleaning. Thank you for your generosity. Without your help, the day could not go ahead.

Helping Hands Presents

COOL CRICKET!

The Cool Cricket program offers children the opportunity to learn a full range of cricket skills by engaging in many modified games – from batting and bowling through to throwing and catching. It’s also a great opportunity for young children to develop social skills, make new friends and most importantly – HAVE FUN!

Each participant regardless of ability will have the opportunity to develop cricket skills, physical fitness, social skills, sportsmanship and an understanding of the game of cricket in a fun learning environment. Each session is different to ensure that children are having the maximum amount of fun whilst learning the basics of the game.

Cool Cricket 5 Week Program

Every Monday for 5 weeks from 31/10/2016 at 3.30pm – 4.30pm for Kindy to Yr6

For more information or to book onto this exciting 5 week program please contact:

Helping Hands on 0467677763 or email

fernygrove@helpinghandsnetwork.com.au

Booking forms are also available from the school office and Helping Hands service.

**Tuckshop**

We have had increasing amount of missed unpaid lunches. We will not let your child go hungry however it would be very appreciated if payment is made asap.

Please go to [www.flexischools.com.au](http://www.flexischools.com.au) for all orders, When students are send to tuckshop to order for themselves it is often time consuming as we need to write brown paper bags, check for any allergies, negotiate food items and insufficient funds. Please help us by ordering online, orders can be placed in advance to avoid missing out.

**Urgent need of 2 x volunteers on 21/10 Friday.**

As always thanks to our hard working volunteers, you too can join us. Contact tuckshop or sign on online [https://www.volunteersignup.org/8ELLJ](https://www.volunteersignup.org/8ELLJ).

**Liz Mu, Senior Managing Tuckshop Convenor**
3550 5361
tuckshop@fernygroves.eq.edu.au

**ORIENTEERING – Where am I? What is that?**

Once again we have received a grant under the Sporting Schools banner to conduct after school activities for our students.

In the spirit of providing a varied array of activities for Term Four, the activity chosen is Orienteering. This is an international activity conducted in many countries around the world. In an orienteering event, participants use special maps to navigate their way around a course. Orienteering can occur in the bush, parks and even our school grounds. Opportunities exist for students to participate in clubs as junors and continue into adulthood reaching levels of Country and World Championships.

Orienteering is a wonderfully inclusive sport that provides physical activity as well as improving thinking and problem solving abilities.

Our very own Mrs Wendy Read is an avid orienteer who has also coached QLD and Australian teams in competition. Details of the program are:

- **When** – Term 4 commencing Thursday 20th October (still some places available!)
- **Who** – For students in Yrs 3 to 6
- **Where** – school oval 3.15pm to 4.15 pm
- **Cost** – Nil

If you wish your child to participate please complete the note below and return to Mrs Wendy Read (Head of Curriculum) as soon as possible. Numbers are limited to 40 so be quick to secure a place.

**I would like my child _______________________________ Class ____ ____ to participate in the Sporting Schools after school Orienteering program.**
