**Year 6 Bus Buzz**

As part of our participation in the Brisbane City Council’s Active School Travel program, our outgoing year 6 students had a visit from AST Program Coordinator, Micheline Doray who talked to the students about bus etiquette, using Go cards, safety while waiting for a bus and many other. The Bus Buzz program brought a BCC Bus to the school and all Year 6 students were able to participate and gain real world knowledge of how to catch public transport as many of them prepare to travel to high School in 2017.
There is much to celebrate about our school as we reach the end of 2016. So many of our students have taken advantage of the many and varied opportunities the staff in our school offer.

Two examples of programs we offer of real excellence are SPAG BOL and Instrumental Music.

- My personal gratitude must go to Mr Sandilands and the SPAG BOL staff who have created something very special over the course of the last 2 years. When David suggested the concept to me at the end of 2014 I had no idea that what was a modest vision of creating a performing arts program for primary school students would morph into a program of absolute quality and excellence. The quality of performance last week was simply outstanding and there is no doubt in my mind that the opportunities afforded our performing arts students will impact on them for the rest of their school experience. What a joy it was to see 10-12 year old students performing like seasoned veterans of the stage. As one parent said to me at the end of the evening, ‘Mr Shackleton you sure do have a lot of wonderful staff at this school’. Here here to that I say.

- Our instrumental music program has gone from strength to strength this year due in no small part to the skill, hard work and dedication of Mrs Haringcaspel and Mrs Seneviratne. Our program is now one of the best around and fortunately our facilities allow our students to truly demonstrate how good they are.

Academically our students have been outstanding as well with nearly 50% of our students achieving an A or B for English and 75% achieving A or B for Mathematics.

Our students work hard and are well behaved with 97% receiving and A, B or C for effort and 98% receiving and A, B or C for behaviour.

Our students, parents and staff like our school.

- 96% of parents are satisfied that we have a good school.
- 98% like our communication with parents.
- 98% say we look for ways to improve.
- 99% say their child likes being at our school.
- 100% of students say their teacher expects them to do their best.
- 100% of students say they are getting a good education at FGSS.
- 99% of students say their teachers challenge them to think.
- 100% of staff say it is rewarding to work at our school.
- 100% of staff would recommend FGSS to others.

There is so much to like and be thankful for at our school with the promise of much more to come in 2017.

**Farewell to Staff or staff changing roles in 2017.**

- Ms Vibe is off to Hervey Bay in 2017 after a terrific first year of teaching at our FGSS.
- Mrs Vickerson will retiring after many wonderful years supporting learners who find reading and writing difficult. Thanks Lyn!
- Mr Fraser will continue on sick leave in 2017.
- Mrs Smith will be on maternity leave next year.
- Mrs Connors and Ms Nichol will be moving into the role of support teacher for students with learning difficulties.
- Mrs Cash is transferring to the chilly town of Warwick after several wonderful years at FGSS.
- MS Thompson will be on leave in 2017 and Mrs George will return to fulltime.
- Mr Thompson and Mr Kirby will be sharing the PE role next year.
- We will also welcome 4 new teachers either on transfer or following their appointment to FGSS.

Our current projection for 2017 is for an enrolment of around 840 students which represents an increase from 817 at the start of 2016. Our enrolment management plan will mean that out of catchment enrolments will now go on a waiting list and will not be accepted once the year has commenced.

Middle years news

Our last newsletter for the year and it’s almost impossible to recount what an amazing year our middle years students have had….but I’ll do my best!

**Year 4** – first year as middle years students and our largest cohort with 5 and a half classes have participated in Maths SLAM and the fun day, interschool sport for the first time, Nudgee Beach excursion, Raw Art...

**Year 5** – Maths JAM and amazing maths race, Bright Sparks, Camp Goodenough, Raw Art, sexual health lessons, leadership nominations, movie break up day...

**Year 6** – Bunyaville excursion, leaders’ induction and leadership camp, Camp Moogerah, Principal for the Day, debating, sexual health lessons, hosting Japanese students, high school orientation, graduation, cinema at South Bank....

And all year levels have had the opportunity to participate in cross, country, athletics and swimming carnivals, instrumental music competitions and camps, choir, SPAG BOL, Footloose Friday, Chappy breakfasts and games, spray for a cure, discos, free dress days, sporting schools athletics and orienteering, bike workshop, book fair, expressive arts week, talent quest, FGSS Olympics, student council nursing home visits, Viva La Musica incursion, Ferny Grove Festival, Walk for Daniel, Operation Christmas Child, White Ribbon Day...

What a busy life our students (and families) lead. It’s just so wonderful to be part of a school community that consistently supports the multitude of opportunities our kids have. Without you, we wouldn’t be able to provide such rich experiences. Thank you to everyone for all you do.

To our leaving Year 6’s and our leaving families, I wish you all the best for your futures wherever they lead you. Please come back and visit. We love to hear about your lives. Wishing all of our families a wonderful holiday. Stay safe and we’ll see you in 2017.

**Merry Christmas**

This is our last newsletter for 2016. I would love to wish you all a very Merry Christmas! It has certainly been a fabulous year and I really look forward to doing it all again next year. Have a very safe and relaxing holiday full of all the things that you love to do. I hope Santa brings lots of goodies and the holidays are filled with lots of family time. See you all in 2017.

Chaplaincy news

The parade today began with a performance from a group of year 5/6 boys who participated in a recent Program called Drumbeat. Namila Davui from the Hills District PCYC came weekly and ran this program in strength and Resilience. The boys did an awesome job in their presentation this morning and I was very proud of their efforts. This course built a new sense of achievement amongst them and they absolutely loved the time to connect with a fantastic role model. They had to learn to listen, work well together and follow a particular rhythm - not always following the same beat as the person next to them. It was a great opportunity to learn a new skill. The group helped them learn to establish better understanding between the other students who not all of them had associated with much. I loved the sense of purpose it helped produce. I’m thankful for the different opportunities we can have working alongside other key organisations.

This being the last newsletter for the year, I extend to all of you my sincere appreciation for the opportunity to serve this school community for the year and look forward to returning next year. There have been many highlights but to meet and get to know some of the children this year has been such a gift. Building relationships and learning to live with them is so worthwhile.

If you would like to contribute to helping out with any food items for Hampers for those in need at this time of year, please drop things off at my office which is located in F block or the library. This will continue till next Thursday.

Blessings to you in the season ahead and for the opportunity to enjoy many joyous occasions as you connect with family and friends and enjoy love, laughter, delicious food and time for reflection.

Blessings, Chappy Alexia
**Catch Up Club News**

Defence students have been busy making Christmas decorations and cards for the past couple of weeks. Thank you to all the children who helped decorate our Christmas tree, it looks very festive!

Last Wednesday our Defence students were treated to ice blocks and the chance to play games with other Defence friends in the hall for our end of year activity. We hope the children enjoyed the cool treat and the fun games. A big thank you to all the wonderful year 6 students for their help on the day, we appreciate you giving up your lunch break to give us a helping hand.

Defence students are also invited to join us on Wednesday 7th December at first break, for the Catch Up Club end of year party. We look forward to seeing you there.

---

**Merry Christmas and Happy New Year**

We would like to wish all Defence families a safe and joyful time over the Christmas and New Year period. To the families relocating on postings at the end of this year we wish you safe travels and a smooth transition at your new destination. We will miss working with your children and wish them all the best as they settle into their new schools and enjoy the many new experiences to come.

If you would like to share any concerns or feedback with us please contact Jessica De la Jara via email j dela140@eq.edu.au or Liz Heddershaw lhedd1@eq.edu.au.

We look forward to working with you in 2017.

MultiLit and QuickSmart

Last week we celebrated another year of hard work by Year 4 – 6 students in QuickSmart and MultiLit. These programs support student learning in literacy and numeracy and involve a large time commitment on the students’ part. Students attend sessions three times a week either individually or in pairs to improve their reading or number facts with the guided support of a teacher aide.

I would like to congratulate the students for their efforts and also thank our wonderful teacher aides for their continued diligence and encouragement of our students.

Chris Leal, Support Teacher

MultiLit is a program where you learn bigger words than you usually do. It helps you to sound out and break words apart. MultiLit has helped me read a lot better, I was on a Level 24 and now I’m on Level 40. Some of the words I know now are ceramic, phenomena and annoyance.

Tiffany Year 5

QuickSmart is a program to help you step up a level, learn your times tables and get better at Maths. It has helped me improve on my skills and times tables and it has also helped me to do other things with my class in maths lessons.

Mathew Year 5

The school year is quickly coming to an end which means vacation care will soon be here. If you require vacation care can you please complete a form and return it to OSHC as soon as possible. Just a reminder that we close on Friday 23rd December 2016 and reopen on Monday 9th January 2017. Hope you all have a very Merry Christmas and a Happy New Year!
Sports news

Swimming Carnival
Well another successful Ferny Grove sporting event. Everything went off without a hiccup – well maybe a few!

Great to see so many spectators – even some from the McCartney family who travelled all the way from Canada for the event! The level of participation this year was again inspirational. Our champion 9 yr olds attempting the 50m events for the first time had us in awe of their determination and school spirit. Our senior students giving their all for their houses was fabulous.

Thanks to all staff who helped on the day, setting up, officiating and packing up at the end of the day. Of course my particular thanks go to our House Captains, School Captains and Senior leaders for their efforts on the day.

The result was again a triumph for Kingfisher house but the high level of participation by all House groups was wonderful to see.

Our Age Champions this year were:

<table>
<thead>
<tr>
<th>Age</th>
<th>9 Years</th>
<th>10 Years</th>
<th>11 Years</th>
<th>12 Years</th>
<th>13 Years</th>
</tr>
</thead>
<tbody>

<td>Blake Gifford</td>
<td>Jacob Rowe</td>
<td>Shaun Parker</td>
<td>Ebony So</td>
</tr>
<tr>
<td>Girls</td>
<td>Addison Fidler</td>
<td>Molly Flood</td>
<td>Amy Ryan</td>
<td>Savannah Townsend</td>

</tr>
</tbody>
</table>

These are all amazing achievements but I think the most important thing to take away from the day was a comment to me after the students had all left. The staff at the pool complimented our students for their polite and respectful behaviour throughout the day – this may very well be the most outstanding achievement from the day.

LAUGHTER IS THE BEST MEDICINE

How is it that the sound of laughter is far more contagious than any cough, sniffle, or yawn.

Laughter is a natural part of life. The part of the brain that connects to and facilitates laughter is among the first parts of the nervous system to come on line after birth. Infants begin smiling during the first weeks of life and laugh out loud within months of being born. Even if you did not grow up in a household where laughter was a common sound, you can learn to laugh at any stage of life. Now is the time.

While humour and laughter can cause a domino effect of joy and amusement for anyone in range, it is well researched that this activity can make us healthier.

Though it can be difficult to define what exactly makes humour funny, laughter has long been considered helpful to the healing process. Substantial research indicates that humour and laughter play a health role. Did you know that laughing:

- exercises the internal organs (great for the stomach muscles and the cardiovascular system),
- with all that mouth opening and deep breathing, laughing gets more oxygen to the brain (to enhance alertness and thinking),
- boosts endorphins (natural mood-elevating and pain-killing chemicals),
- strengthens the immune system (to help fight off disease.)

Laughter has also been shown to improve pain tolerance, reduce stress, lower blood pressure, and protect the heart.

The social effects too are many. They include:

- improving a person's optimism and outlook on life
- connecting you to others – others will want to spend time with you
- fostering instant relaxation
- and most importantly IT MAKES YOU FEEL GOOD

Unlike more invasive therapies, laughter therapy is cheap and has no harmful side effects - not bad for such an enjoyable activity. The great Groucho Marx who spent his movie life clowning around stated: A clown is like an aspirin, only he works twice as fast.

But Humour must be used with care. Children should not be exposed to inappropriate adult humour. Never use humour to offend or shame another person. It's not about laughing at another person but ensuring everyone enjoys the joke. If you feel a need to laugh at someone make sure that that someone is you.

Try these activities. They will benefit your child and you:

- Watch comedy DVD's and TV shows
- Visit the circus – do some clowning around yourself
- Listen to comedy while driving – the news these days is very depressing
- Read comic authors/ tell jokes.
- Seek out funny people - spend less time with overly serious people.
- Bring humour into conversations. Tell and invite funny stories

Just practise smiling and laughing. If you have to - 'fake it till you make it'. Let's see more people laughing, and smiling. Our communities, including schools and workplaces, can only benefit.

Here are some jokes to share with the Kids

| Q. In which battle did Napoleon die? | Q. What can you never eat for breakfast? | Q. What looks like half an apple? |
| A... his last | A...Lunch or dinner | A... the other half |

| Q. If you throw a red stone into the blue sea what will it become? | Q. How can you lift an elephant with one hand? |
| A... Wet | A... You will never find an elephant that has one hand! |

| Q. If it took 8 men ten hours to build a wall, how long would it take 4 men to build it? | Q. How can a man go 8 days without sleeping? |
| A... No time at all as the wall is already built | A... No problem, he sleeps at night |

| Q. How can you drop a raw egg onto a concrete floor without cracking it? |
| A...... Any way you want as concrete floors are very hard to crack. |

**Beginner’s Music Camp**

Beginning an instrument requires a number of good habits to be established early. These include instrument care. In order to develop good habits and playing skills as soon as possible, a two day Beginners Music Camp will be held in early 2017 by the six primary schools in the Ferny Grove Cluster. Children will be grouped for two days according to their instrument i.e. all the violins in one class, all the flutes in one class. Each class will be taught by a qualified music instructor.

The venue for the camp varies according to the instrument played and transport to and from the venue will be your responsibility:

- **Strings**: Ferny Hills State School
- **Brass**: Samford State School
- **Woodwind**: Ferny Grove State School
- **Percussion**: Mitchelton State School

**Dates**: Year 4 **Woodwind, Brass and Percussion**, Year 3 **Strings**:

- **Friday, 27 & Monday, 30 January, 2017.**

**Time**: Classes commence at 9:00am and finish at 2:45pm

**Cost**: $70.00 per child

**Note**: Children must arrive by 8.45am, prepared to start by 9:00am.

**Library news**

As we are nearing the end of the school year all borrowing in our library has finished, can you please ensure your child returns all books by the end of this week.

We are still busy with some great craft Tuesday and Wednesday at first break, this week we are focusing on Christmas activities. The students have been making some great decorations for the library. Come in and have a look.

**SPAG BOL news**

Our final production for 2016, The Robber Baron and The Baker Thief was a huge hit with it’s live music, rocking soundtrack and incredible performances. A big congratulations to all involved, especially Mr Sandilands.

Our Chappy organised another Teachers vs Students challenge this week on the netball court. Our Year 6 students played their hardest, teachers were the victors and a good time was had by all.

Tuckshop

How busy are we at the tuckshop?

Just to give you an idea, there were 12,800 lunches ordered via Flexischools this year, another 300 over the counter, at least 100 missed lunches. Let’s not forget that we also serve our staff with a choice of hot foods and a variety of sandwiches, wraps, salads, focaccia and café style muffins.

On top of all that we occasionally cater for staff meetings up to 400 people. With only 16 committed hard working volunteers, we often start early, finish late and miss our own lunch break! To continue our high standard of service, great quality food and reasonable prices we need your help. Join us to deliver delicious and nutritious food sign up https://www.volunteersignup.org/8ELLJ Any help is appreciated, even just for an hour after drop offs. Come visit us at the tuckshop.

Huge thanks to our Volunteers—we hope you enjoyed our afternoon tea on Thursday this week. Another thanks to Angela & Grant Reid for donating 35 litres of dishwashing liquid and thanks to Alexia Back aka Chappy who donated a brand new food processor.

At this time of year, some items on our menu may not be available - please check Flexischools or simply give us a call. Our tuckshop is open up to and including Wednesday 7 Dec 2016 and will resume January 25 2017. Don’t forget to edit your student class profile for 2017 on Flexischools.

Friendly reminder for any money owing, must be paid by this Friday 2 December. Thanks for great support from parents, students, teachers and staff - we had a great year.

As always please go to www.flexischools.com.au for all orders. Convenient and easy to use, you are able to order in advance. Any students with missed/late lunch will be provided with vegemite sandwich and apple only. So to avoid missing out order online.

Enjoy the schools holidays and tune in for our 2017 menu.

Stationery & Uniform Store

2017 BOOKLIST ORDERS – If you have placed your order for collection in November or December, please ensure you collect it before the last day of school.

EXTENDED HOURS DURING BACK TO SCHOOL - available here.

THANK YOU to those who have been helping at the Uniform & Stationery stores. HELP is still required in JANUARY – especially in the week before school begins when the stores are open. Without the required amount of help, queue waiting times will be much longer.

Check out the days/times that we need assistance on the online volunteer register - https://www.volunteersignup.org/JHBWW and consider signing up.

To help reduce waiting times in January (and to ensure stock is available) we strongly suggest that you place your order before the end of the school year.

Our January stock will be ordered on the last day of school next week.

2ND HAND UNIFORMS – If you intend selling your 2nd hand uniforms at the store please deposit these items, individually listed on the appropriate form (available from the Uniform store or here) in the white tub in the uniform store as soon as possible so that we have time to process them ready for January. (We cannot guarantee that items brought in at the end of next week will be processed in time for January sales) – we ONLY ACCEPT items in GOOD CONDITION that have been washed thoroughly.

Our current P & C focus is the project to air-condition the school. We are half way into our 4 year project. Most of the proceeds from our Festival, our businesses and our other fundraising goes to support this $250,000 investment in our school!
Uniform Information – YEAR 7, 2017

Uniform Store & Second-Hand Uniform Store
Open: 7.30am – 11.00am Monday, Thursday
Open: 7.30am – 9.30am Tuesday

Extended trading hours for November 2016, December 2016 and January 2017 are listed below. An updated price list will be sent out with the stationery order forms in early November 2016.

Please bring your student with you for outfitting so that our Specialised Uniform Fitters can make the right recommendations. If outfitting a new student please allow 20-30 minutes. All Uniform items will need to be purchased when the student is outfitted. Until our extended hours commence you are most welcome to come and be fitted out during our regular opening hours as listed above.

To ensure your student is properly outfitted with everything they need for the year ahead it is recommended that you get organised in Term 4 when most of the uniform stock is readily available.

If you are concerned about your student’s garment size changing over the holidays, please note that we operate a full returns policy. As long as the garment has not been worn, labelled or washed and still has the original store labels intact, we will exchange for a different size.
