## Ferry Grove SS Leadership Team

*Matthew Meharg*  
[Principal]

*Rhonda Martin*  
[Deputy Principal]  
[Year 4 - Year 6]

*Tom McCartney*  
[Deputy Principal]  
[Prep - Year 3]

*Stacey Day*  
[Head of Student  
Empowerment]

## Communication with Class Teachers

Email is the preferred method of contact if there are any issues.

If there are messages throughout the day please contact the office.

The office will always pass messages on, especially if it is urgent.

ClassDojo

This year we will be using Class Dojo as an additional means of communication.

Teachers will use this platform to share updates, photos and send brief reminders about upcoming events.

There is a chat section however email will continue to be the main platform for communication. If you do not have access to ClassDojo please speak to your teacher.

## Every Day Counts!

Under the law, you must make sure your child attends school on all school days (unless there is a reasonable excuse). Schools must monitor attendance of students and follow up with parents and caregivers any unexplained absences.

If your child does not want to go to school, or is missing school without you knowing, contact your school immediately for assistance and support.

Schools will:

- monitor student attendance
- notify you if your child has an unexplained absence as soon as practicable on the day of your child's absence and continue to follow-up with you as practicable
- use effective teaching strategies to engage your child in learning
- help you with strategies to encourage your child to go to school
- provide support for families.

### Every Day Counts!

#### MOST STUDENTS ATTEND SCHOOL EVERY DAY

It's important that children are at school all day, every day

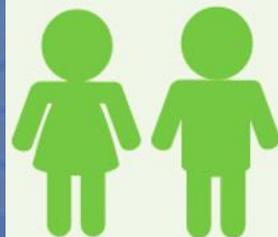

**OK** reasons to stay home from school

sick

natural disasters

It's **NOT OK** to skip school to shop, sleep in, finish an assignment, go on holidays

#### EVERY DAY AT SCHOOL COUNTS

Missing even 1 day can make a difference

1 day off school each fortnight

=

Missing more than a year of learning over 12 years

Each day's learning builds on what has been learnt before

Good attendance begins in Prep

It's where good habits begin

## Ferry Grove Shared Commitment

# AT FERRY GROVE WE ALL BELONG!

WHEN WE:

**RESPECT SELF, OTHERS AND PLACE**

**KEEP LEARNING AND NEVER GIVE UP**

**THINK BEFORE WE DO**

Effort

Cooperation

Learning

Responsibility

Care &  
Compassion

Respect

# School Wide Expectations

## FERNY GROVE STATE SCHOOL

### Behaviour Matrix

Keep the designated area clean and tidy.</li> </ol>	<ol style="list-style-type: none"> <li>1. Keep the designated area clean and tidy.</li> </ol>	<ol style="list-style-type: none"> <li>1. Keep the designated area clean and tidy.</li> </ol>

**WE ALL BELONG AT FERNY GROVE**

## School Wide Expectations

Students who arrive early are supervised in the tuckshop area from 8:10am. Students are to be seated during this time.

At 8:35am students transition calmly to class. Students line up quietly outside their class. Classroom doors open at 8:40am.

Students who arrive late (after 9:00am) need to collect a late slip from the office.

### Ferry Grove State School

#### School Drop-Off, Lunch Breaks & Pick-Up Procedures

Before School

- Too early to be at school
- Students unsupervised until 8:10

8:10 - 8:40am

- Students can arrive at school
- Students must sit in the under covered areas (tuckshop & toilets)

8:40am

- Bells rings for the start of the day
- Welcomed by teacher
- Learning commences

After 8:40am

- Students arriving after 8:40am need to present to the office window for a 'late slip'

11:00-11:50pm

- 11:00-11:30am - Play time
- 11:30-11:50am - Eating time

1:20-1:50pm

- 1:20-1:35pm - Play time
- 1:35-1:50 - Eating time

2:50pm

- End of school day
- Students released to go home
- No supervision after school

## Before and After School Expectations

Students wait at the tuckshop before school or sit very quietly outside the classroom with their parents

Students head out to their pick up point or their grown up after school

## Classroom Expectations

We listen when someone else is speaking.

We follow instructions.

We speak respectfully to others.

We keep our hands, feet and objects to ourselves.

We work quietly.

## School Wide Expectations

### Uniform:

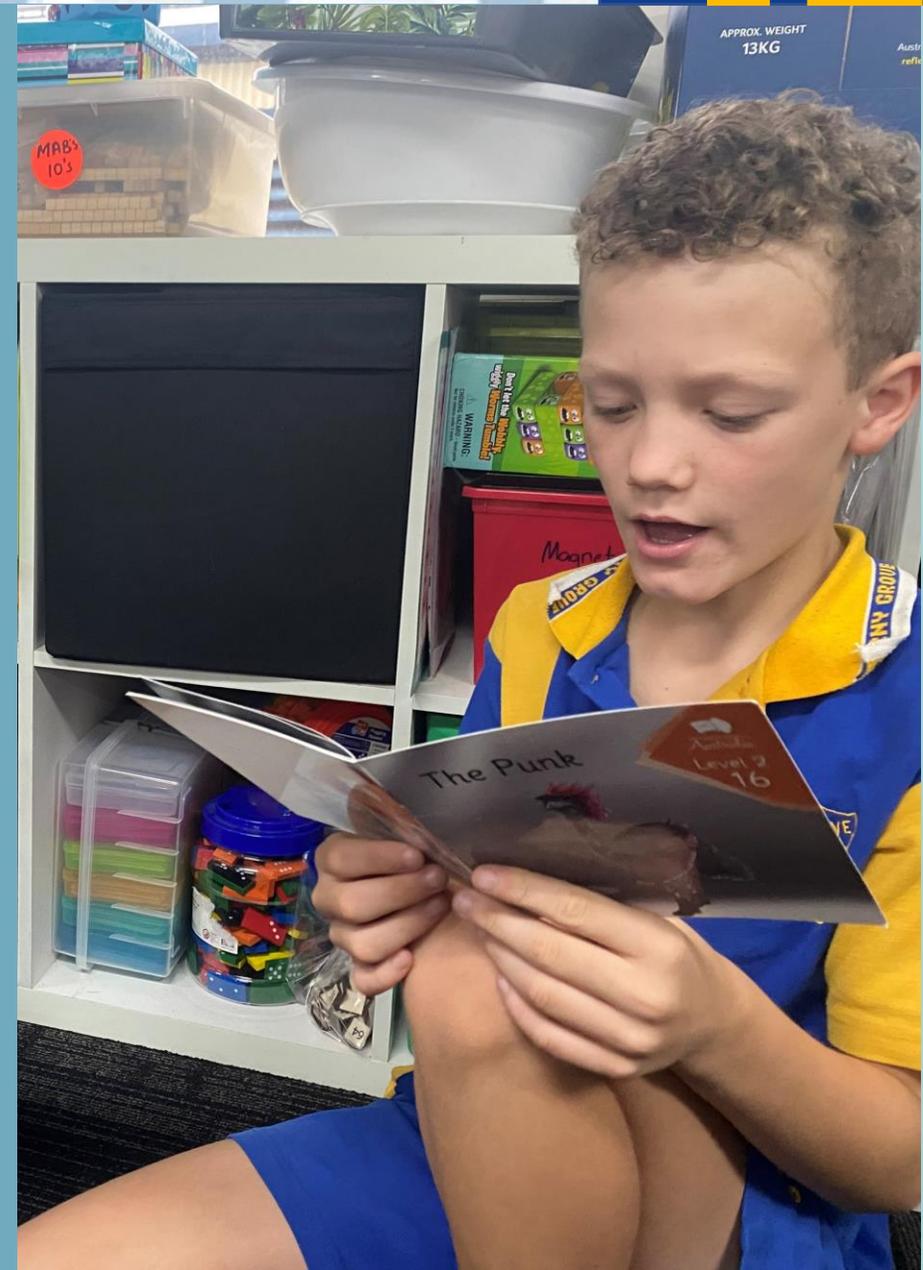

- Blue skirt or shorts
- FGSS Yellow/blue polo shirt
  - White socks
  - Closed in shoes
- Hats are expected outside – no hat, no play

### School Wide Expectations

QParents – expected all families are on QParents and forms are completed as soon as possible. Check you have completed the third party consent forms.

State Schools have the policy “away for the day!” All notifications need to be silenced on smart watches.

## Back to School Boost

From 2026, the Queensland Government will introduce the '*Back to School Boost*', providing \$100 for every primary school student (Prep to Year 6) to help families with school-related costs.

A \$100 credit will be applied to each student's school account, and parents and carers will be able to choose how these funds are used.

Consent forms were sent to all families in week 2, allowing you to nominate where you would like the \$100 credit to be allocated. This may include your child's Student Resource Scheme (SRS) payment (for Prep or Year 1 students), Instrumental Music Program, excursions, incursions, camps, and similar activities.

Please note that the '*Back to School Boost*' cannot be applied to outstanding debts incurred prior to 2026.

## What support will my child get?

Student needs due to disability are met by many staff across the school: Guidance Officers, Speech Language Pathologists, Occupational Therapist, Physios, Social Workers, Chaplin, Support Teacher Literacy and Numeracy as well as Student Empowerment Program Teachers and Class Teachers.

This will look different for all students because different students need different things at different times.

You have been provided with contact details for your child's class teacher and year level SEP teacher to enable you to communicate with them directly and provide valuable information about your child's needs.

## Student Empowerment Program

Ferry Grove State School has a large Student Empowerment Program (SEP) team. We have an SEP Teacher who works with each year level and highly experienced Teacher Aides. The SEP teacher for each year level will work with the year level team to support the needs of every student.

What does this mean?

- Students with disabilities will be case managed by their class teacher with additional support from the year level SEP teacher.
- SEP teachers and Learning Support teachers will work with the class teachers on their year level to establish what student needs there are and what supports are required. Year level data will be used in this process.
- There will be students who will require ongoing intensive and focused teaching or support to access the curriculum or other aspects of school. Other students will require short term focused or intensive teaching.
- The data from the NCCD will support this process.

## What is the NCCD?

- The Nationally Consistent Collection of Data on School Students with Disability (NCCD) takes place every year, in August.
- The NCCD is a collection that counts:
  - the number of school students receiving an adjustment or ‘help’ due to disability; and
  - the level of adjustment they are receiving to access education on the same basis as other students.
  - No names or student identifiers are included. The information is used by Australian State and territory governments to improve policies and programs for student with disabilities.

## Our Early Years Commitment

Child  
Centered  
Planning

Age  
Appropriate

Connection

Our  
**Early Years**  
Commitments

Curiosity

Growth

Fun

## Learning Areas taught by classroom teachers

English

Maths

Science

HASS

Health

### English

#### Term 1

**Exploring characters in stories**  
**Expressing an opinion about a familiar character**

Decodable readers – Fluency, expression and comprehension

Spelling

Handwriting

Story Champs

#### Term 2

**Researching and creating an information report about a space.**

#### Term 3

**Creating and presenting a spoken text to express a preference for a place or setting**

#### Term 4

**Creating a narrative using a familiar character**  
**Reading comprehension**

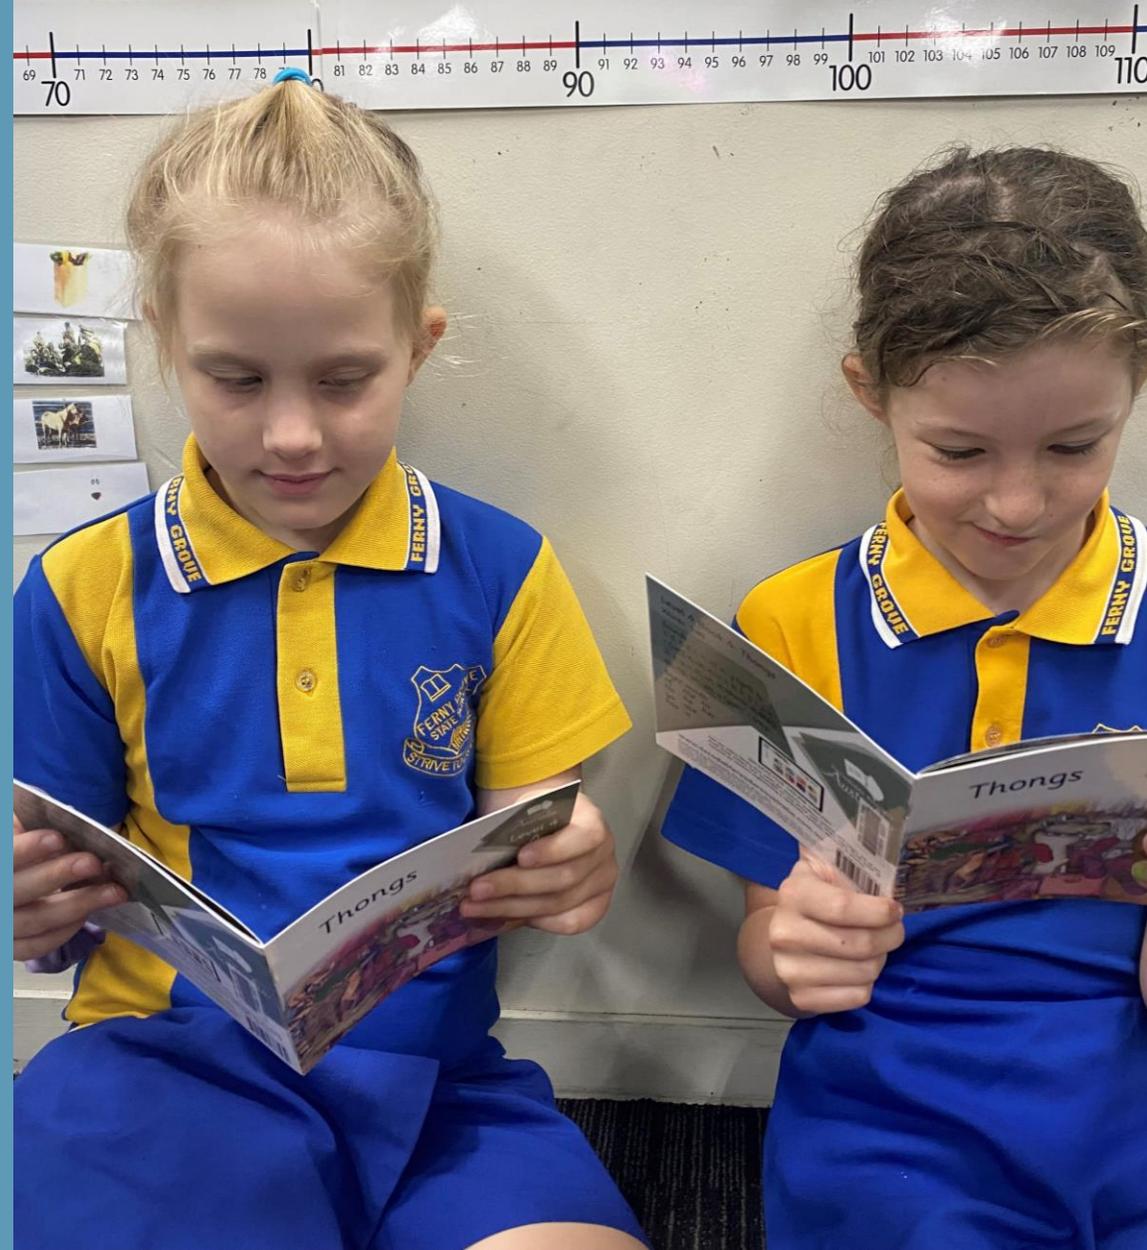

## Reading

Reading and literacy are important skills we are teaching your students daily.

Students are all screened to identify their individual needs.

Teaching is differentiated to address these needs.

## Maths

### Term 1

Collecting and interpreting data  
Evaluating data  
Locating features and using maps  
Read, write and order numbers  
up to 1000  
Skip counting  
Addition and subtraction  
problems

### Term 2

Use calendars to identify dates  
and determine the number of  
days between events  
Recognise and read time (hour,  
half-hour and quarter-hour) on  
an analog clock

### Term 3

Solving multiplication problems  
and choosing strategies  
Measuring and comparing  
objects and shapes  
Comparing, classifying and  
describing shapes  
Fractions of a shape and a  
collection

### Term 4

Learning multiplication facts for  
twos  
Using place value to break apart  
and regroup numbers for  
calculations  
Continuing and creating  
increasing and decreasing  
patterns

### Science

#### Term 1

##### Investigating Earth's resources

Students explore the water cycle and ways to conserving Earth's resources e.g., water, soil, minerals and oil.

#### Term 2

##### Investigating lifecycles and living things (Ocean Life Incursion)

Students explore how living things grow.  
Students observe, ask question about and describe changes in living things.

#### Term 3

##### Investigating properties of materials

Students explore combining materials for a purpose.  
Students draw, label and make an object. They then predict and test the water resistance of their object.

#### Term 4

##### Investigating forces

Students identify the forces they use in their daily lives to play and work and live.  
They observe and discuss the effects of gravity and how forces work in water, air and on the ground.

### HASS

#### Term 1

##### Geography: Examining familiar places

Exploring divisions of the world e.g., continents, oceans, lines of latitude.

Interpret geographical information to draw conclusions

Explain direction and location using examples of features of places.

#### Term 2

#### Term 3

##### History: History in their community

Students explore, recognise and appreciate the history of their community.

Students examine artefacts from the past and consider why they should be preserved.

Students examine the impact of technology on people's lives and understand that people lived differently in the past .

#### Term 4

## Homework

**Spelling:** Weekly spelling lists are in the Term Spelling Booklets.

**Reading: DRA** – Decodable Readers Australia.  
Online decodable readers can be accessed via any device using your student's login code.

**Maths: Mathletics** can be accessed using your student's login code.

These activities are targeted to link with the Year 2 Curriculum.  
Only after the tasks are completed can the students access the games component of Mathletics.

## Health

### Term 1

#### The Resilience Project

Applying protective behaviours and help-seeking strategies.  
(Developing relationships, safe and safe situations and staying safe online).

### Term 2

### Term 3

#### The Resilience Project

Investigating health messages and making choices using health information ( Being Safe with household items. E.g. Poisons, cleaning products, medication).

### Term 4

## The Resilience Project Video

Please enjoy this 2min video

<https://vimeo.com/1124702592/bf8fa700fd?fl=pl&fe=sh>

We're proud to be  
partnering with

**THE RESILIENCE PROJECT™**

in **2026** to build a resilient  
school community.

## The Resilience Project

**G**ratITUDE  
**E**mpathy  
**M**indfulness &  
**E**motional **L**iteracy

## Students

Explicit teaching and opportunities for regular practise

Lessons: 1 hour per week

Student Journal.

Regular practise of wellbeing strategies.

### Impact

- Promote wellbeing and enhance resilience.
- Toolbox of everyday wellbeing habits and strategies.
- Stronger relationships.
- Improved behaviour.
- Flow on effect for academic outcomes/performance.

**LESSON 13** **EMOTIONS ARE MESSENGERS**

**Picture this!**  
Everyone communicates in a different way. Look at the pictures below. How good are you at looking and listening to the messages around you?

What can you see?

What message is this plant trying to tell us?

If you saw a plant like this, what would you do and why?

**RESILIENCE PROJECT**

## REALISING OUR POTENTIAL

**LESSON 1** **WHAT IS RESILIENCE? (AND HOW TO GET MORE OF IT)**

ALL OTHERS WILL + SHALL + SHOULD + WILL + SHALL

Resilience is a culmination of many skills that allow us to overcome adversity and achieve successes in our lives. Building your resilience will help you to bounce back more quickly from difficult life events. The best way to build resilience is to develop habits you can do every day that are good for your mental health. This will create a strong foundation for your wellbeing and allow you to cope better when things aren't going so well.

**The Resilience Project**

TRP: Think about a challenging time in your life... What happened?  
ME:

TRP: How were you feeling?  
ME:

TRP: What did you do to get through this time?  
ME:

TRP: Did you seek help and support? Who supported you?  
ME:

TRP: How do you feel about the time now?  
ME:

**MENTAL HEALTH SCALE**

What moves your mood up the scale?  
What moves your mood down the scale?

**RESILIENCE PROJECT**

**Grounding Practice**

Four things you feel  
Five things you see  
Three things you hear  
Two things you smell  
One thing you taste

**RESILIENCE PROJECT**

**WELLBEING ORBITALS**  
G.E.M.

What are three things that **went well** for you today?

**RESILIENCE PROJECT**

## Family Hub

Supporting wellbeing and resilience at home

- ✓ A suite of **digital content** to build wellbeing and resilience at home.
- ✓ **Practical tips, routines and activities** to build wellbeing habits.
- ✓ Information about the **evidence-based principles**.

Gratitude	Empathy	Mindfulness	Emotional Literacy
<p><b>What you'll need:</b></p> <ul style="list-style-type: none"> <li>Time together as a family</li> <li>Blank pieces of paper</li> </ul> <p><b>What to do:</b></p> <ol style="list-style-type: none"> <li>Together, as a family, list lives you are grateful for.</li> <li>Encourage each family member to write a letter to one of the people on the list.</li> <li>Discuss why it's important for someone expressing gratitude, the person and thought into creative letters.</li> <li>Talk about the positive and how they can strengthen relationships.
