

Investing for Success

**Under this agreement for 2017
Ferry Grove State School will receive**

\$235000*

This funding will be used to

Instruction:

- Improve whole school writing capability with a focus on improved mean scale schools in both year 3 and year 5 Naplan.
- Utilise SPAT-R language test to improve student phonological awareness and oral language in Prep
- Using school based reading assessment process we will improve the reading performance of every student identified as at risk in Year 1.
- Multi lit and Quicksmart pre and post tests will demonstrate significant improvement for at risk learners in years 4 and 5 (Literacy and Numeracy)

Our initiatives include

Instruction:

- Whole school writing pre and post samples to measure improvement.
- Purchase of additional teaching time to support at risk early years learners in literacy.
- Purchase additional teacher aide time to support implementation of Quicksmart and Mult Lit programs.
- Purchase additional teacher time to support implementation of Age Appropriate pedagogies (AAP) plan across P-2
- Fully implement DRA reading assessment for all students in years 4-6 twice per year.

Our school will improve student outcomes by

Instruction:

- Employing additional teacher aides to provide support for at risk students in Years 4 and 5: \$50000
- Purchase of additional teacher time to support AAP implementation and literacy intervention across P-3: \$115000
- Support analysis of DRA reading assessment in years 4-6: \$15000
- Provide for teacher release to support student improvement conversations and data analysis: \$55000
