2017 Ferny Grove Apps List Years 1-2

Apps are to be downloaded at home as our network will block the downloading of apps. App companies do change the icons occasionally, so the icon may not be accurate. Extra apps used to support specific needs of students may be downloaded with consultation with the class teacher. We advise using Apple Family Sharing as each app will only have to be purchased once and then shared if there is more than one child in the family. Apple Family Sharing
