

'THERE'S NO BUSINESS LIKE SHOW BUSINESS' **(The Wizard of Odd – 2017)**

Solo

*There's no business like show business
Like no business I know
Everything about it is appealing
Everything that traffic will allow
Nowhere could you get that happy feeling
When you are stealing that extra bow*

All

*There's no people like show people
They smile when they are low
Yesterday they told you you would not go far
That night you open and there you are
Next day on your dressing room
They've hung a star
Let's go, on with the show*

Group 1

*The costumes, the scenery, the make-up, the props
The audience that lifts you when you're down*

Group 2

*The headaches, the heartaches, the backaches, the flops
The sheriff that escorts you out of town*

Group 3

*The opening when your heart beats like a drum
The closing when the customers don't come*

*There's no business like show business
Like no business I know
You get word before the show has started
That your favourite uncle died at dawn
Top of that, your pa and ma have parted
You're broken-hearted, but you go on*

*There's no people like show people
They smile when they are low
Even with a turkey that you know will fold
You may be stranded out in the cold
Still you wouldn't change it for a sack of gold
Let's go on with the show
Let's go on with the show*

Well don't you grieve,
You must believe,

On the dusty plain.
You will wonder at the thunder,
At the gushing of the gutters,
As you go with the flow ...*

All *Yeah! Yeah!
Yeah! Yeah!*

'Joe's Forest Hideaway' (To the tune of 'Hernando's Hideaway' by Ella Fitzgerald)
(The Robber Baron and the Baker Thief - 2016)

*I know a dark, secluded place
A place where no one knows your face
A glass of wine, a fast embrace
It's called Hernando's Hideaway, olé*

*All you see are silhouettes
And all you hear are castanets
And no one cares how late it gets
Not at Hernando's Hideaway, olé*

*At the Golden Finger Bowl or anyplace you go
You will meet your Uncle Max and everyone you know
But if you go to the spot that I am thinking of
You will be free to gaze at me and talk of love*

*Just knock three times and whisper low
That you and I were sent by Joe
Then strike a match and you will know
You're in Hernando's hideaway, olé*

*I know a dark, dark, secluded place
A place where no one ever knows your face
Wine is fine with a fast embrace
Hernando's Hideaway, olé*

*At the Golden Finger Bowl or anyplace you go
You will meet your Uncle Max and everyone you know
But if you go to the spot that I am thinking of
You will be free to gaze at me and talk of love*

*Just knock three times and whisper low
That you and I were sent by Joe
Then strike a match and you will know
You're in Hernando's Hideaway*

'CHANGES'

(Robyn Hood: Outlaw Princess - 2021)

All

*Changes are a'coming,
See them in the sky.
Don't just stand there gaping,
Things will pass you by.
Better start a' moving,
Change is coming fast.
Things that you depend on,
They ain't gonna last.*

*Better take some action,
'Cause you're going to find,
There's no satisfaction
Being left behind.
Things are off and rolling,
Better make a move,
Find out where you're heading,
Get what you deserve.*

*Changes, changes are a'coming.
Changes, changes are a'coming.
Changes, changes are a'coming.
Change is coming fast, It ain't gonna last.*

*Things are off and rolling,
And it's very clear,
Better make your mind up,
Get yourself in gear
Change is all around you.
Change is on the way.
So come on, get with it
Get it on today.*

*Changes, changes are a'coming.
Changes, changes are a'coming.
Changes, changes are a'coming.
Change is coming fast, It ain't gonna last.*

Change is so fast, things ain't gonna last.

'STARBLAZE'

(Starblaze - 2019)

Company *We're coming in on a flash of light
We've been a-moving all through the night.
We've been to places light years away.
We're coming home, here's what we say.*

Group 1 *We made the stars blaze
We made the stars blaze
We made the stars blaze*

Group 2 *We made them blaze
We made them blaze*

Company *And lit up the sky
We made the stars blaze
Now we're riding high.*

*Forces of evil controlled the sky,
These were the forces we would defy.
We met the challenge, we made our mark
We caused the fire, we lit the spark.*

Group 1 *We made the stars blaze
We made the stars blaze
We made the stars blaze*

Group 2 *We made them blaze
We made them blaze*

Company *And lit up the sky
We made the stars blaze
Now we're flying high.*

*The lightning flashed
It cut through the night
It split the dark sky
Set the whole world alight.
The stars were scorched by our trails of fire
The flames we lit they burned higher and higher
Higher and higher.
We made the stars blaze
We made the stars blaze
We made the stars blaze
And lit up the sky
We made the stars blaze
Now we're flying high.*

*We're flying high.
We're flying high.
We're flying high.*
