

'The Day You Went Away' (by Wendy Matthews)
(The Dragons of Spring - 2015)

*Hey, does it ever make you wonder what's on my mind
I was only ever running back to your side
I never cried, I just watched my life go by
It's just a pack of lies, cos you're leaving me behind*

*Why, after this long is there nothing I'll keep
Oh I can shout, you'll pretend you're asleep
I live a lie, yeah, believing that you're mine
It's just a waste of time, cos you're leaving me behind*

*[Chorus:]
Hey, there's not a cloud in the sky
It's as blue as your goodbye
And I thought that it would rain
On a day like today...*

*Hey there's not a cloud in sight
It's as blue as your blue goodbye
And I thought that it would rain
The day you went away...*

*Hey does it ever make you wonder what's on my mind
Oooo, oooh, I was only ever running back to your side*

*(Repeat Chorus)
He's on the buses and the aeroplanes
With some groceries and a sleeping bag*

‘Defying Gravity’ (from ‘Wicked’)
(The Wizard of Odd – 2017)

*Something has changed within me
Something is not the same
I'm through with playing by the rules
Of someone else's game
Too late for second-guessing
Too late to go back to sleep
It's time to trust my instincts
Close my eyes and leap!*

*It's time to try
Defying gravity
I think I'll try
Defying gravity
Kiss me goodbye
I'm defying gravity
And you won't bring me down*

*I'm through accepting limits
'Cuz someone says they're so
Some things I cannot change
But till I try, I'll never know!
Too long I've been afraid of
Losing love I guess I've lost
Well, if that's love
It comes at much too high a cost!*

*I'd sooner buy
Defying gravity
Kiss me goodbye
I'm defying gravity
I think I'll try
Defying gravity
And you won't bring me down*

*Unlimited (Unlimited)
My future is unlimited (unlimited)
And I've just had a vision
Almost like a prophecy
I know - it sounds truly crazy
And true, the vision's hazy
But I swear, someday I'll be...*

*Flying so high! (Defying gravity)
Kiss me goodbye! (Defying gravity)*

*So if you care to find me
Look to the rainbow's arc
As I fly home quite safely
Fly so high, just like a lark!*

*I'm defying gravity!
And you won't bring me down!
Bring me down!
Bring me down!*

All: No!!!! (Shouted)

'JUST THE TWO OF US' (by Bill Withers & Grover Washington Jr)
(Trouble In Lollipop – 2020)

*I see the crystal raindrops fall
And the beauty of it all
Is when the sun comes shining through
To make those rainbows in my mind
When I think of you sometime
And I wanna spend some time with you*

*Just the two of us
We can make it if we try
Just the two of us
(Just the two of us)
Just the two of us
Building castles in the sky
Just the two of us
You and I*

*We look for love, no time for tears
Wasted water's all that is
And it don't make no flowers grow
Good things might come to those who wait
Not for those who wait too late
We gotta go for all we know*

*Just the two of us
We can make it if we try
Just the two of us
(Just the two of us)
Just the two of us
Building them castles in the sky
Just the two of us
You and I*

*I hear the crystal raindrops fall
On the window down the hall
And it becomes the morning dew
And darling when the morning comes
And I see the morning sun
I wanna be the one with you*

*Just the two of us
We can make it if we try
Just the two of us,
(Just the two of us)
Just the two of us
Building big castles way up high*

Just the two of us

You and I

(Just the two of us)

(We can make it, just the two of us)

(Just the two of us)

'TO BE A PRINCESS' **(Valley of the Voodons – 2023)**

*It must be lovely to be a Princess,
I guess I hear that all the time.
To wear a crown and a gorgeous dress,
Life must be divine.*

*How delightful to be so noble
And noticed where ever you go.
How fantastic to be so royal
And always the star of the show.*

*I don't wanna be a Princess
I just wanna be free.
Don't wanna be a celebrity
I just wanna be me.*

*To be a Princess means being followed
By crowds of people everyday.
And news reporters who analyse you
Recording whatever you say.
They wave their cameras, ask stupid questions,
"Where are you going; Where have you been?"
I'm always crowded, it's claustrophobic.
Like being the middle sardine.*

*I don't wanna be a Princess
I just wanna be free.
Don't wanna be a celebrity
I just wanna be me.*

*The media is getting greedier
With their cameras and their long nosey microphones.
They always hound me, crowd all around me,
Oh, why won't they leave me alone!*

*I don't wanna be a Princess
I just wanna be free.
Don't wanna be a celebrity
I just wanna be me.
Don't wanna be a celebrity
I just wanna be me.*

I don't want to be a celebrity.
